- 500 attend Liberal Convention -

Nobert wins on 1st ballot

Len Nobert of St. Albert won the Federal Liberal nomination on the first ballot in a field of three at the nominating convention held last night in Morinville Rec. Centre. Better than 400 people attended. John Borger, candidate in the last election for the Pembina riding was returning officer.

Defeated candidates were Vince Maloney of St. Albert and Bill Middagh of Fort Saskatchewan.

"Unity is essential - not only for us, but for our children," Mr. Nobert told the audience and he also emphasized his concerns for improving the economy, raising health standards and bringing Canadians together for a better Canada. Mr. Nobert felt that his being bilingual was a great asset for an Alberta Member of Parliament. He also reminded the convention of the Prime Minister's statement that "Canada is not a sick country in a troubled world, it is a healthy country in a difficult world." Guy St. Germain of Morinville nominated Mr. Nobert.

Mr. Maloney, nominated by Gerry Menagre, stressed the importance of unity and also said he would work for the interests of small businessmen and farmers. He felt Canada could have been truly bilingual in 20 years if a strong program had been initiated from the kindergarten level across Canada.

In the interests of keeping the meeting to reasonable time length, a

Len Nobert

motion from the floor that candidates field questions after the speeches was defeated. The motion was proposed by Gerry Torpy of St. Albert.

Branny Schepanovich, speaking during the counting of the ballots, paid tribute to both the Liberal and Conservative parties. Spotting the P.C. candidate for the federal election, Peter Elzinga, in the crowd he drew laughter by telling Peter "When you go into that voting booth, all alone, just let your conscience be your guide." Woolco to locate in regional shopping centre

Woolco Stores are coming to St. Albert, according to an announcement made by Mayor Ronald Harvey Monday night. At the regular meeting of St. Albert City Council, the mayor stated that Abacus Cities and the Hudson's Bay Company have expanded their plans for the regional shopping centre to include a 100,000 square foot Woolco store. The development at St. Albert Trail and Bellerose Drive.

Abacus has also reported that they have expanded the mall plan to accommodate approximately 85,000 square

feet of independent, specialty chain and other stores, in addition to a major supermarket. The name of the supermarket has not yet been released, but an announcement is expected later this week.

In announcing the expansion, Mayor Harvey pointed out that the increase in the first phase of the project from 280,000 to 340,000 square feet will stimulate the local economy by adding more than \$300,000 annually in municipal taxes. In addition, employment opportunities for over 600 people will

be created.

After the developers' new subdivision plan for the shopping centre and a 280 unit terraced housing project are approved, construction is expected to get underway in early summer. The opening of the shopping centre is anticipated in the fall of 1979. Construction of the major site services was Please Turn to Page 2

Racquet Club not connected with city

Brochures, letterheads and application forms of the St. Albert Racquet Club all bear the City of St. Albert's logo (the insignia appearing on the City's buses, advertisements, etc.) but there is no connection between the two.

At present city administration is looking into the matter and have discussed it with administration in the City of Edmonton who are

also going through similar problems with their logo.

St. Albert's logo is in the process of being registered. No permission for its use was granted in this case.

St. Albert residents may remember the last 'misuse' of the City's logo. The Westlock Hub used it for the banner of their unsuccessful St. Albert Edition. It didn't take long for that matter to be straightened out.

More development for downtown

While St. Albert's Municipal Planning Commission seemed to favour development of a 95,000 square foot commercial office and retail building in the downtown at its meeting March 29, it still has to wait for a policy decision on this from council.

The plan for the building, to be located at St. Anne Street and St. Michael Street was presented to MPC by Gus Simonsmeier of Harsim

Construction of St. Albert. In the plan is provision for 254 parking stalls in a multi-level garage which could be used by the public at large as well as shoppers.

There was some discussion between Mr. Simonsmeier and the MPC on the leasing or the purchase of the site for the development.

MPC also looked at a proposal for a smaller commercial retail development

from Peter Matthews of Venture Properties. This would take up some 13,250 square feet at the corner of Grandin Road and Gordon Crescent. In the development proposal are a family type sit-down restaurant, florist and hairdresser, with a store for possible automotive uses. If the development is given final approval by St. Albert, Please Turn to Page 2

Catholic board to discuss housing in public

St. Albert School District 3 will hold their regular meeting of April 17 in public at Bertha Kennedy School in order to give the public an opportunity to provide input into their proposed housing policy for 1978-79.

The policy, outlined in detail in an advertisement appearing on page 14, is putting into policy what the district has been doing in practice in recent years.

Elementary schools are recognized as being most beneficial in the 'community core' concept as are schools of junior and senior high levels. However, the Board will stick to centralized schools for the latter two levels until the population supports further decentral-

ization. Finances definitely narrow the Board's choices in this matter.

The French Language Im-

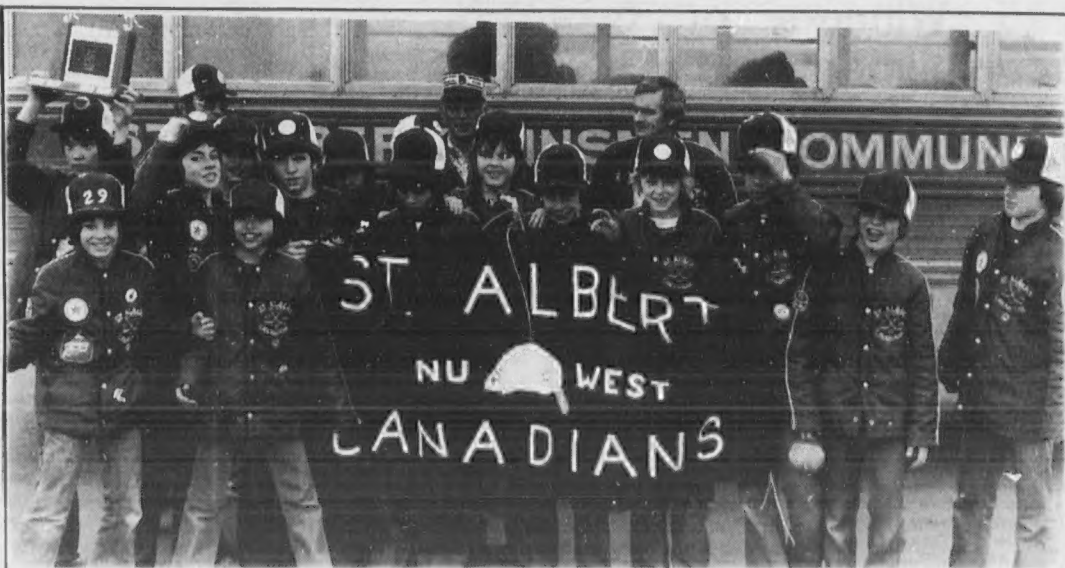

mersion students are also slated for a central location - Father Jan Junior High on Please Turn to Page 2

Set public hearing for Grandin proposal

A proposal for a shopping centre at the corner of Grandin Road and Gordon Crescent has prompted council to schedule a public hearing on the matter for April 17 at 8 p.m. The staging of the public hearing must precede any action to rezone the area. To facilitate the proposal the lot will have to be rezoned from highway commercial to restricted co-

mmercial. The commercial development has been proposed by Venture Properties Ltd., and the rezoning is necessary to accommodate certain tenant businesses.

Although a gas bar was originally proposed for the development, this usage has been deleted from the proposal as has the accompanying gas bar parking. Please Turn to Page 2

The best Peewee team in Alberta!

... St. Albert Nu-West Canadians captured top honours in the Alberta Provincial Peewee Tournament which wrapped up Saturday in Grande Prairie. The Canadians defeated Grande Prairie 7-2 in the last game of the round-robin tournament to finish in first place. The closest they came to losing a game was a 5-5 tie with league rivals Fort Saskatchewan. It was an extremely happy bunch of hockey players, coaches and parents who arrived at the Akinsdale Arena Sunday (via the Kinsmen Community Bus) in time to take in the Provincial Midget final between St. Albert and Red Deer.

A number of well known people in the audience were introduced beside Mr. Elzinga: Dan Hollands, former conservative M.P., Al Square a P.C. candidate in the Edmonton Strathcona nominating convention; Ernie Jamison, Conservative MLA for St. Albert constituency and Marcel Lambert, MP for Edmonton West.

Also noticed in the crowd were former Liberal Leader of Alberta, Bob Russell, former mayor, Richard Plain and ex-councillor Frank Lukay, and Bob Prather, defeated P.C. candidate for MLA in the 1974 Provincial nominating convention. Lois Hole, Sturgeon School Board Chairman and John Bakker, former councillor of St. Albert, who assisted with the

convention.

It was a very open convention (obviously, with all those Progressive Conservatives in attendance) and in contrast with Conservative conventions when voters must be the legal voting age in Canada, 18 years, Liberal conventions allow people 16 years and over to vote.

and west of Highway 2.

Finally the Commission discussed the \$1.2 million Red Willow Park development, which will see a transformation of downtown St. Albert from the CNR trestle bridge east to Highway Two.

St. Albert is slated to contribute \$800,000 for the park with the Devonian Foundation putting in \$400,000.

Some low lying land north of the Royal Canadian Legion could provide problems in the development of that sector of the park. It has a tendency to flood and Mr. Breadner wondered if it would be feasible to drain the area in question.

Mr. Breadner added that he found the park proposal "extremely interesting" and that "within three years we will have the makings of a great park system."

The proposed policy came up at Monday's regular Board meeting in the form of a notice of motion put forward by Trustee Ann Smith. Trustee Jerry Manegre opposed this method of announcing the proposals because he felt they indicated a commitment by the Board and did not encourage public input.

Members of the public who feel the proposed housing policies may adversely affect them and/or their children are asked to attend the Public Hearing Monday, April 17 and let their feelings be known.

The developer has requested permission to incorporate a restaurant into the centre, along with a convenience store, a trust company real estate office. Other businesses from the schedule of preferred uses include a delicatessen, professional offices, clothing store, laundromat, hairdresser, barber shop, gift shop, florist shop, photo studio and lamp shop. The developer proposes to provide 54 parking stalls for the centre.

Around Town

At this time of year, we are all luxuriating in the warmer temperatures, but some of spring's harbingers are far from pleasant. A visitor to the Gazette last week told us of an unfortunate and avoidable accident that took place in the play area at Grosvenor and Gainsborough Avenues. The receding snow had left in its wake a deluge of debris which lay scattered about -- broken glass, papers, boxes and other litter. When young David Mansell came to play, the scene was set for an accident, and that's exactly what happened. He fell on a broken beer bottle, receiving a gash which took 14 stitches to close it up. His mother is justifiably upset that her son should suffer for the criminal carelessness of others.

Donald J. Coinner dies at 52 years

St. Albert lost a long-time resident who had for many years taken an active interest in the community, in the untimely death of Donald Joseph Coinner on March 30, 1978, at the age of 52 years.

The Reverend Bert McQuade officiated at funeral services held yesterday at the Howard and McBride Chapel. Hymns chosen for the service were Nearer My God to Thee and Abide With Me. Mr. Coinner's brother from Montreal was among those attending. Cremation followed in the Edmonton Crematorium. Memorials may be made to the Alberta Heart Foundation, 502, 10102 - 101 Street, Edmonton.

Mr. Coinner was born and educated in Winnipeg, Manitoba, and was a veteran of the Second World War, later serving on the executive of the Garrison Officers Club at the Prince of Wales Armouries in Edmonton. He was a Captain in the 19th Alberta Dragoons prior to the amalgamation of Canada's Armed Forces.

He came to Calgary from Winnipeg in 1956, moving later to Edmonton where he married Donna McConnell of Derwent, Alberta, in Macdougall United Church, Edmonton in 1961. The couple moved to St. Albert the following year and raised their family of three children in their home at 17 Gilmore Crescent.

A family man, always interested in young people, Mr. Coinner assisted with coaching in the minor hockey program here for two years. Don also served on the Air Cadet League of Canada, Northern Alberta Zone. For

DONALD J. COINNER

two years he was mayor of the Summer Village of Betula Beach.

Early in 1973 Mr. Coinner was appointed to the Board of the Sturgeon General Hospital, and when the position became elective he successfully ran for office in October of 1974, serving almost five years in total. Don was also a candidate for

city alderman in the civic elections held in October of 1977. He was a past president of the United Services Institute.

Don was owner/operator of his own company, "Donald J. Coinner and Associates" for 24 years, and was employed as sales manager of Edmonton Printers at the time of his death. Mrs. Coinner is in charge of the After Four program at Ronald Harvey School.

Mr. Coinner is survived by his wife Donna; one son and two daughters; James (Jamie) Michael and Patricia Carol, both at home, and Tracy of Vancouver, B.C., his parents, Mr. and Mrs. Frank J. Coinner of Edmonton, and one brother, Pat Coinner of Montreal.

He will be long remembered and sadly missed by his many friends and associates in the community he loved so well.

Hunter training course planned for kids, adults

A five week Hunter Training course has been set up for all children 12 years of age and over, as well as for any interested adults. This very informative course is being conducted by the St. Albert Fish and Game Association and will be held at the Ronald Harvey Elementary School.

The course starts Tuesday, April 4 at 8:30 p.m. and will continue to run every Tuesday and Thursday evening

for five weeks.

Any child or adult interested in this course should either call Sam Haller at 6 p.m. at 435-5718 or attend at Ronald Harvey School at 8:30 p.m.

GENERAL MEETING

The public are cordially invited to attend a general meeting on Tuesday, April 11 at 8 p.m. at the Community Hall. The featured guest speaker will be Russ Thornberry, a well known sportsman and entertainer in Alberta.

Russ will be showing slides of his fishing trips to Great Bear Lake and the west coast, as well as a white tail hunting trip to Texas.

Our guest is an entertaining speaker and has been well received at our meetings in the past.

Please feel free to come out and bring the family. You may even wish to buy a membership.

Vandals remove cover, boy falls in manhole

Some of the species that emerge in the spring are far from pleasant, such as the manhole vandals. These vindictive and irresponsible types get their kicks from removing manhole covers and watching unwary kids and others fall in the exposed hole. Lots of laughs.

Because of quick action by three St. Albert boys, one local boy escaped such a trap unharmed by the mishap. When a young lad known only as "Georgie" fell into an exposed manhole, young Allan Barwick, Curtis Deck

and Randy Adel were on hand to pull him out of the predicament. The boys had the presence of mind to phone the city to tell them of the uncovered manhole, and workmen came immediately to close it up again. Luckily

no serious injuries were sustained. We would suggest that those who get their jollies from removing covers on holes leading to sewers are in reality seeking their origins.

Swing into spring at auxiliary ball

Winter has finally skulked away, leaving St. Albertans blinking in wonder and shrugging off the ennui brought on by prolonged hibernation. What better way to greet the new season and revitalize the spirit than attending a traditional St. Albert spring fling -- the Sturgeon General Hospital Auxiliary Spring Ball! This is the ninth year for the event, and it promises to be a swinging affair, with music by the versatile "Sound Merchants" to get everyone moving.

The Club Morombo will set the scene for the much-anticipated romp, and the auction all takes place on Saturday, April 29. A ticket price of \$20 per couple includes the privilege of savouring all the succulent goodies from the smorgas-bord.

The work of the hospital auxiliary is vital to this community, and most of us who visit the hospital benefit from the auxiliary's efforts. Anyone who is interested in having a rollicking evening out, while helping themselves and the community at the same time should be on deck for the event April 29. Tickets are available while they last by phoning 459-7488 or 459-7023.

French immersion sparks parent interest

Mr. Marcel Doucet, parent representative for the implementation of a French Immersion Program in St. Albert, led an informative meeting for approximately 70 interested parents at V.J. Maloney School on March 21.

Dr. W. Zielinski, superintendent for School Board District No. 3, outlined the policies and objectives set by the board for the kindergarten to grade 3 levels.

Admission and transportation procedures were discussed and it was deemed necessary that the French Immersion Program be offered in a central location for adequate transportation and that it grow to a French immersion program in a bilingual school.

These programs shall be phased in annually starting in September 1978 with Kindergarten and grade 1 levels.

The agreement with the Edmonton Separate School Board will be maintained, tuition fees if any and transportation will be provided for students in grades not offered at the local level.

Mr. G. Soetaert, assistant superintendent for District School Board No. 3 briefly explained the evaluation, registration and screening procedures for the children entering the Kindergarten and grade 1 programs.

Generally, parents seemed receptive and enthusiastic towards the program, in fact, 20 of these parents readily

volunteered their time and efforts to form an Advisory Committee.

A number of parents expressed concerns which will be dealt with through a mini-workshop to be held in

the near future.

Registration forms for this program may be obtained from: St. Albert Public School District No. 3, 6 St. Vital Avenue, St. Albert, Alberta. Phone 459-7711.

Local vet commended by SPCA

The following piece comes from the monthly newsletter of the Edmonton SPCA. It recognizes the contribution made by Dr. Mike Rasberry of St. Albert for the effort he has contributed toward the new \$600,000 shelter which is to open in Edmonton in July.

I must also bring to your attention the invaluable work done by Dr. Mike Rasberry, a veterinarian surgeon from St. Albert, and a former president of the Edmonton Small Animal Veterinarian Association.

Dr. Rasberry has provided a great deal of technical, medical and constructive advice for all aspects of shelter operation. He has served on many committees to help organize finance and administration, shelter operations, care and maintenance, and treatment facilities. Thanks in large part to his professional advice and guidance, we'll have one of the most hygienic and up-to-date animal shelters in

North America.

But of even greater importance has been his work in developing an effective relationship between the society and the veterinarian association. Up to a few months ago we had no contact with these professionals, but now we are developing a close association which is helping the society in so many ways, particularly in our attempts to introduce sound and responsible pet ownership, education and animal control programs.

Dr. Rasberry has been a welcome addition to our group, and his forceful and energetic style of contributing to our meetings has made them much more effective and interesting.

He has also assisted in developing a complete new set of forms for the shelter, which will enable us to operate in a more efficient and effective manner, and provide the Shelter manager with the minimum of paper work possible.

Catholic board will look at cafeteria for high school

A brief prepared by St. Albert High vice principal, Paul Chalifoux, which discusses some pros and cons of a cafeteria at the high school was directed to District 3's Board Policy Committee for further study at Monday's Board meeting.

When first discussing the proposal, Board members wanted the school to provide more financial information before accepting the brief but then, on Chairman Steve Sieben's suggestion, decided

they better look at whether they wanted to get into school cafeterias in the first place.

The school was not originally constructed with a cafeteria in mind and is now experiencing problems accommodating the 250-plus students who stay for lunch. This situation is creating a problem with food litter in addition to the inconvenience of setting up and removing tables and chairs.

Because students are spr-

ead throughout the building and grounds during lunch period it is also creating supervision problems and has led to some cases of vandalism.

The proposal also points out the nutritional advantages in having a cafeteria in the high school.

It calls for the District to build the cafeteria without provincial assistance and operate it in a manner which is profitable and self-amortizing.

Catholic board to ask city for dog bylaw

After some discussion, District 3 board members decided Monday morning to ask the City of St. Albert to pass a bylaw which would force animal owners to maintain control of their animals while on public property (this would include the Board's).

At present the City has no bylaw which would cover the situation although it is apparently somewhere in the works but not high on council's list of priorities. Alderman Breadner told members of the Joint Use Committee that action by the Board's in this matter would have the effect of increasing the priority level of the proposed bylaw.

Edmonton has just recently been awarded a court decision giving them the authority to continue enforcing a similar bylaw.

If the city moves to comply with the Board's request signs will soon appear on school property warning pet owners to clean up after their animals.

St. Albert Protestant School District is also in support of the request for the bylaw with both boards' stating health concerns as the main issue involved.

St. Albert not favoured for by-pass

Government cabinet ministers in face of questioning from Opposition leader Bob Clark in the Alberta Legislature last week - maintained St. Albert is not favoured for a by-pass road to reduce traffic congestion between Edmonton and St. Albert.

And allegations that St. Albert is being forced to withdraw its opposition to an annexation by the promise of a new road were also denied in the legislature March 29.

St. Albert is not being asked to accept a by-pass in return for withdrawing its objections to a Genstar Limited annexation application.

The by-pass and the annexation were linked by St. Albert PC MLA Ernie Jamison recently in a seven-point proposal he made to St. Albert city council. There were reports that he asked the council to accept a by-pass west of St. Albert which would be built if the annexation fight was dropped.

Mr. Clark charged the western by-pass was hoisted on St. Albert council when it narrowly accepted the idea. Transportation Minister Dr. Hugh Horner replied that his office and St. Albert officials have discussed the by-pass for some time and that the plan was drawn up by the former town administration.

Municipal Affairs Minister Dick Johnston assured the house that he has not interfered with the city's move to oppose the annexation of 1900 acres requested by the international conglomerate.

Dr. Horner added the by-pass will have to take a

back seat to his department's efforts to improve commuter traffic routes between the two neighbouring cities.

The government will con-

tinue to finance improvements to 170th and 156th Streets because the bulk of Highway Two traffic north of Edmonton is from St. Albert.

What's in a name?

Having lived at the same residence on Forest Drive for the past few years, the Coles' were surprised when they started to receive a quantity of mail for the Miskell's. The problem came clear Tuesday evening, when a North-western Utilities man came to the door inquiring about a gas leak, which the Coles' knew nothing about. Upon checking phone numbers,

the gas man called the Miskell's who live at the same house number as the Coles', but in Forest Grove, not Forest Drive. It seems that it is getting harder and harder for people to find their way around St. Albert, but who are we to complain, if the gas company and the post office can't find out where to go?

Around Town

The Gazette was surprised and delighted last week when actor Wally McSween dropped in at the editorial office. He had taken the trouble to drive out from Edmonton to meet reporter Vicky Knight, who, he said was the only reviewer of the

Northern Light Theatre's presentation of Clarence Darrow, who truly grasped what the production was all about. Mr. McSween played the lead role and Vicky's review appeared in the March 8 edition of the Gazette.

To The Editor

"Hang in there, Mr. Jamison"

In reference to the March 22 article in the Gazette stating that the by-pass will be west of St. Albert, I would like to comment that we are fortunate to have an MLA who will support a decision which is of a great importance to a large number of our population in the area.

This by-pass will be of

great benefit to the commuters that have needed an access to the city for some time. Hang in there Mr. Jamison and keep up the good work!

- NOVEL CHEQUE -

... Father Jan School donated \$400 dollars to the Mission Park Playground Committee in a novel manner Tuesday morning. They wrote their cheque on a tire and tires will be the main building block of the playground to be erected June 2. The \$400 will be added to the \$500 already coming from the Catholic School Board. Meeting on the site of the Tire Playground are from left: Roswitha Throckmorton, Priscilla Theroux (committee president), Lucille Sylvestre, Dennis Cloutier (S.U. treasurer), Marianne Lefebvre (S.U. pres.), A. D. Mackie and R. Pinco (principal of Father Jan). Anyone who would like to help in the playgrounds construction is asked to phone 458-0009 or 458-1498.

Standard General gets recap contract

At the regular meeting of city council Monday night, Ald. Rod Thronson moved that council award a contract for the 1978 recapping of pavements to Standard General Construction Ltd. Standard General brought in the lowest bid at \$40,880.08, while highest tender came from Carmack's Construction Ltd. at \$59,459.96.

Council gave first reading to a bylaw authorizing the issuance of debentures for the purpose of bringing in power to Stage One of the Riel Industrial Park. The sum, to be borrowed by debenture, amounts to \$31,013. Having been given first reading by council, the proposed bylaw will now go to the Local Authorities Board.

Council moved to receive three items of correspondence at Monday's meeting. Mr. George Schwam wrote stating his position on the west by-pass and Mrs. J. Sloan wrote requesting use of the arena for Grandin Girl Guide, Busy Bee Wind-up Rally. A letter from the St. Albert Field Hockey Club

asked if council could give monetary assistance to the club, which is planning a trip to the B.C. Festival of Sports to be held from May 19-23. The group has undertaken a number of fund raising projects to obtain the necessary \$1,000 but a need for further financial aid is anticipated. Council referred the matter for budget consideration.

Council moved to include two river lots, numbers 53 and 54, St. Albert Settlement in the provisions of the light industrial classification set out under Development Control Resolution Number Four City Administrator Bob Byron explained this was a housekeeping action, to enable expansion to existing developments to take place without a new resolution being required each time, as was presently the case. The lots are located between Riel Drive and Sir Winston Churchill Avenue.

On a motion from Ald. Rod Thronson, council authorized Ald. Bakker and Shields or alternates to attend a three-day study tour of the Greater Vancouver Regional

District. A member of city staff will also make the trip.

Council carried two motions authorizing the purchase of two land parcels that lie adjacent to highways. The lot, located at 301 St. Albert Trail is to be purchased by the city for \$110,025 to allow for the future widening of highway 2. The city will also purchase lots at 2 and 4 Belmont Drive for \$65,000 as they too are adjacent to a highway.

Should workers live in city which employs them?

The question should city workers be forced to live in the city where they are employed, - or can they be forced, has come up in court in Dayton, Ohio a number of times but remains unresolved. The issue has surfaced in a number of U.S. cities in recent years, and has been a very controversial one.

In Dayton the Unions waged a vigorous campaign costing \$10,000 against an amendment to the city's charter which would have required new employees to live in the city, and current employees living in the suburbs to move into Dayton if they changed addresses or accepted a promotion. It was turned down by the voters, but during the campaign both sides said if they lost the vote they would take the issue back to the courts.

will take with them two resolutions. The first calls for the federal government to increase capital funding of commuter transit systems. The resolution refers to a 1974 election promise to fund commuter transit systems. The second resolution asks that the federal government establish a travel assistance program to facilitate culture and recreation and recreation exchange programs between French and English language communities.

Adjudicators ready for Kiwanis Music Festival

In practice rooms all over the St. Albert area, young musicians are tuning up voices and instruments for the second annual Kiwanis Music Festival, to be held in St. Albert April 5, 6 and 7. The Kiwanians have lined up an impressive panel of adjudicators, who will determine the winners in the numerous categories.

DR. GEORGE NAYLOR
to judge the bands

Adjudicating in the band categories will be Dr. George C. Naylor. He will judge classes in hand bell ringing, school rhythm band, woodwind, brass instrumental concerto and woodwind ensemble. Dr. Naylor trained at the Royal College of Music in London as a violinist and clarinetist, at Kneller Hall as a band director and holds degrees in composition, a Master's degree in Music Education and a doctorate in Educational Administration from the University of Alberta. He was educational advisor to the Edmonton Symphony and trained the Edmonton Youth Orchestra. He has adjudicated throughout the provinces and is currently director of performing and design arts at Grant MacEwan Community College in Edmonton.

VOCAL ADJUDICATION

Vocal classes, including solo, chorus and folk song will be judged by Crystal Fleuty, a professional singer and teacher of voice from Edmonton. She studied at the Royal Conservatory of Music in Toronto and has her diploma from the conservatory as a performer and teacher. She is presently teaching singing for the Government of Alberta School Broadcasts and gives

private lessons. She is an examiner for the Mount Royal College in Calgary and the Western Board of Music. She adjudicates in the western provinces.

RECORDER CLASSES

Elizabeth Filipkowski has her Bachelor of Education degree from the University of Alberta, her Master's of Arts from Columbia University and is presently working on her doctorate. She serves as a festival adjudicator, consultant and demonstrator for music workshops, is the author of a course in music appreciation, has revised a number of texts for Canadian use and has edited several music publications.

ACCORDION CLASSES

Judging accordion classes will be Maxine Schwyer. Ms. Schwyer studied at the Ontario Conservatory of Music for 11 years and worked for the United Conservatory of Music for six years. She is presently working with the Young Musicians Academy of Alberta. She holds a certificate for grade nine practical and grade two theory from the Royal Conservatory. She is an examiner for the Young Musicians Academy.

DR. HUGH BANCROFT
judging piano, electric organ

In other categories, Dr. Hugh Bancroft will adjudicate piano and electric organ classes; Mr. Bob Cook, chamber music classes; Mr. Nick Pulos, St. Albert, guitar and string classes; and Mrs. de Branscoville will judge Speech Arts, including poetry solo; story telling; mime; speech concert; Biblical solo; school choral speech classes and school poetry solo classes.

NOW THAT'S EXCELLENT SERVICE!

... When you're out cruising the sidewalks, it's often handy to have along your own personal mechanic. When the chain on young Jamie Bizon's bike skipped the rear socket, he found himself paddling like mad but going no where. That's when Mrs. Theresa Clark came to the rescue. She deftly slipped the chain back onto the sprocket and the 'gang' was soon 'freewheelin' again. The rather unusual looking three-wheeler is an English Sidewalk Tricycle and is being ridden by William Glass. Bringing up the rear is Mrs. Clark's daughter, Cathy.

Games representative guest at Legion ball

A most successful evening was held on Saturday with approximately 100 members and guests in attendance at the Legion Hall, St. Albert.

After cocktails and a friendly introduction to the President, Ron Bull, the evening got underway to the skirl o' the Pipes. The Pipes and Drums marched on the head table and the Colors.

Guest speaker at the Ball was Mr. Rick Lalacheur from the Commonwealth Games Foundation, and he gave a most informative and enthusiastic talk on the upcoming Games in August, on the facilities and on the need for volunteers to assist in this major event.

Head table guests were Fern Armstrong (president - Club 271) and his wife Dot, Shirley Sorsdahl (president -

Ladies Auxiliary) and her husband Dennis, Roger Ayotte, bringing greetings from the City of St. Albert and his wife Tammy, Vern Tompkins (past president) and his wife Rae, President Ron Bull and his wife Eli and guest speaker Rick Lalacheur and his wife Faye.

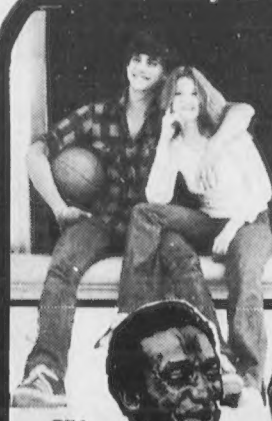

During the dinner, presentations were made by Bill Eschak (chairman of the Awards Committee) to President Ron Bull, Past Officers Badge, Ross Hutton Past Officers Badge and Vern Tompkins Past Presidents Badge. The orchestra for the gala affair was the Ambassadors and the piping and drumming was by Dr. Roger Stephens and Jimmy Logan.

During the evening Rick Lalacheur gave a most

interesting and enthusiastic talk on the upcoming Commonwealth Games being held in Edmonton in August.

Community Services Advisory Board: What is it?

Many St. Albert citizens may be a little hazy about some of the boards and committees through which they can participate in the affairs of the municipality. One such board is the Community Services Advisory Board.

The Community Services Advisory Board was set up by City Council in January, 1977, to assume the functions of the previously existing Social Services Board, Parks and Recreation Board and Police Commission.

The concept of one joint advisory board evolved from an effort by Council to integrate social, cultural and recreational needs and to co-ordinate existing community services.

The C.S.A.B. was thus created to advise council on community needs by encouraging citizens and citizen groups to vocalize their concerns through one medium.

Presently the advisory board consists of five members, all residents of St.

Albert appointed by council for one year terms. The city's Community Services Department, through Charles Gale, acting director, provides advisors and resource persons for the board as needed.

In response to specific concerns of City Council, board members are encouraged to establish special ad hoc committees to involve interested citizens in the community.

Current projects undertaken through these committees are: a survey of cultural

resources and needs in St. Albert; a study of two-wheeled motorized vehicles and the problems and alternatives for use in St. Albert; a review of St. Albert's civic grant program; the purposes and procedures and guidelines for acquiring grants.

Although the cultural survey is near completion the latter two projects are just getting underway and require more volunteers.

Any questions or concerns by St. Albert citizens can be

directed to the Board through Doreen Rowe, chairman (459-6165) or through Charles Gale, acting director of Community Services (459-6601). Citizens can also contact individual representatives of the Board in any of these areas:

Cultural, Judy Cochrane, 458-1582; Recreation, Melba Dobrostanski, 458-5892; Social Services, Gerry Jaycocks, 459-8218; Police Commission, Dave Rudge, 458-1066.

#533 R.C. AIR C. SQDN. ST. ALBERT

We've all enjoyed Spring Break at #533, officers and cadets alike. Now it's time for classes and preparation for competitions and annual inspection. We've a lot of activities planned before we close for summer, so attendance is vital in order that you know what is going on.

#533 was greeted with a visit from "Two Hills Squadron" the week before Easter, March 23, 1978. Once again officers and members of their sponsoring committee came to see us. This time however, "Two Hills" brought along some of their Sr. NCO's and the exchange of ideas in this age group was excellent. #533 officers, cadets and staff would like to thank "Two Hills" for taking the time to visit us, as it is quite a long drive to St. Albert. Hopefully, we will be able to reciprocate in the near

Air Cadets in Review

future.

Even though our Squadron took a holiday, we did get a call from ACO's (Area Cadet Officer) office letting us know Familiarization Flying, in Twin Otters, was on for Sunday, April 2, 1978. Officer and cadets bused up to Namao only to find out the flying was cancelled due to poor weather conditions. It's unfortunate this occurred but we have no control over the weather. Hopefully, we will

be luckier next time 'round.

Band, drill team and sports practices were on this week as usual and Thursday, April 6 is a parade night with a tour on the schedule.

It has been confirmed that the Sr. Drill Team will be representing Alberta in the Prairie Region Competitions in Winnipeg May 19 - 22, 1978. This is a very exciting trip for these cadets and needless to say practices of most importance. Zone team

competitions for both Jr. and Sr. drill teams and sports is taking place the end of April. Once again remember, attend practices. You not only let yourself down by not attending but the rest of the team as well. In the competitions we lose points for any cadet absent.

All teams are doing very well and we at #533 RC(AIR)C expect great things from them.

Quiet week for RCMP

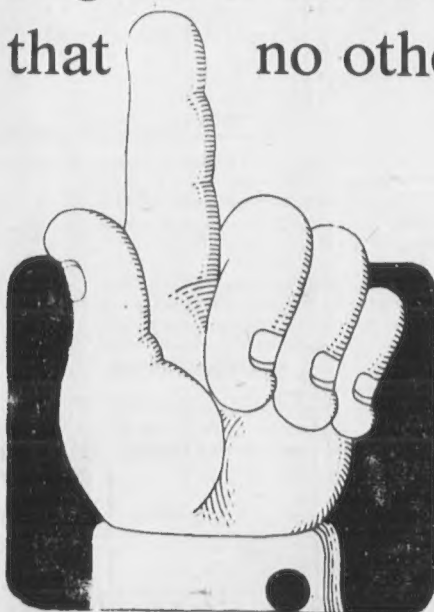

The St. Albert RCMP report a very quiet week with only the usual amount of Highway Traffic Act offences, although four impaired drivers were picked up on the weekend. Motorists are advised that one ounce of liquor or one bottle of beer an hour is the safe way to drink. Any more or

excessive drinking and then driving could result in a Criminal Code offence. Remember if you are picked up for impaired driving you are, and will be treated as, a criminal.

An increasing problem has arisen with people making illegal left hand turns at the intersection of Hebert Road

and the St. Albert Trail. The law states that only the lane of traffic next to the centre line may turn left. This applies to traffic coming from all four directions at this intersection. The St. Albert RCMP have warned violators for a couple of days and are now prosecuting violators. During the peak traffic periods it is suggested that persons make their turn at another intersection in the City; e.g. traffic destined for Edmonton between 6:30 a.m. and 8:30 a.m., turn left onto St. Albert Trail from Sterling Street or Sturgeon Road.

Tell me one thing H.R. Kellough can do to
sell my home that no other realtor can.

H.R. Kellough is the only Realtor in the Edmonton area who belongs to the Homes for Living Network, a nationwide family of Realtors who help people on the move find new homes.

If you're selling your home, this means we can put more than 8,000 Realtors to work for you for the same price you pay for one.

When you list your home for sale with H.R. Kellough, it will be pictured and described in our Homes for Living magazine, a select listing of Edmonton homes for sale which is distributed each month to members of the Homes for Living Network throughout the country.

Families from 750 cities who are moving to Edmonton will have an opportunity to know about your home before they come to town. Often they will be coming to see H.R. Kellough because they have been referred to us by the Homes for Living Realtor in their area.

As a result, your home will have greater exposure to a much wider market of select prospects - people who need to buy and want to buy quickly.

When you or your friends are planning to sell a home, give us a call and ask about our Homes for Living service. We'd like to explain why listing your home with H.R. Kellough gives you an advantage at no extra cost that no other Edmonton and area Realtor can offer.

District 3 budget progressing

Finance Chairman Ken Porter informed Catholic School Board members at Monday's regular meeting, held at 8 a.m. instead of the usual 7:30 p.m., that the budget deficit projected for next year has been whittled down from \$245,000 to \$105,000 and is still being cut.

At least two more drafts are expected before the

budget comes before the Board for approval.

At present the Catholic District is about 10 mills higher than the Protestant District at 27.78. The above figures do not represent any increase in the mill rate to District 3 ratepayers.

Trustee Al Alain reported that progress is being made on ATA salary negotiations and that the clerical staff has

now asked negotiations commence.

The Sturgeon Health Unit will be conducting a survey in the District 3 system to determine the prevalence of children with speech and language problems.

The Health Unit will be using the information, along with additional figures gathered from other areas in their responsibility.

The total cost to the Board will be \$1,050 to cover teacher time which will be needed in the survey. Nurses from the Health Unit will train the teachers in screening procedures for the students.

District 3 stands to benefit from the survey if it indicates the need for a speech pathologist in that it is quite likely this person would be added to the payroll of the Sturgeon Health Unit thus saving District 3 the cost.

ATA provincial officers elected

In balloting completed today, Alberta teachers elected two teachers as vice president of The Alberta Teachers' Association. Charles P. Rose, principal of Bob Edwards School in Calgary, was re-elected and Elizabeth W. Thompson, principal of Fort Park Elementary School in Fort Saskatchewan, was elected, both to one-year terms on the

ATA's Provincial executive council.

In other voting, Larry P. Armfelt, principal of Thorsby Junior and Senior High School, was elected district representative for Edmonton district, completing the second of a two-year term. The position became vacant when Mrs. Thompson ran for vice-president.

ATA President Mac Kry-

zanowski of Medicine Hat returns by acclamation for a second one-year term of office. Seven district representatives also were returned by acclamation for two-year terms, and the remaining six have one more year in their terms.

Mr. Rose has had 15 years experience as a teacher and administrator at both elementary and junior high levels. In addition to his involvement with the provincial association and the Early Childhood Education and Health and Physical Education Councils and the Council on School Administration, he was the first full-time president of the Calgary Public local of the ATA.

Mrs. Thompson has been active in the Strathcona local of the ATA as president, chairman of the negotiating sub-committee, and as member of numerous committees. At the provincial level, she was in her second term as district representative and has been a member of the education finance, status and role of women, education media, and administrators committees.

Mr. Armfelt is a past president of the Leduc local of the ATA and has been active in professional development, economic policy, quality of education, and convention activities of the association.

Conference to host international crowd

The University of Alberta's department of English will soon host an international gathering of writers, historians, and critics to study the literatures of the Canadian and American West.

From April 12 - 15, about 300 participants from across Canada and the United States and from several disciplines at the University of Alberta will be at the Banff Centre for a conference called Crossing Frontiers: Canadian and American Western Literature.

Organizers say that the conference will compare the literatures of the two Wests in order to estimate the impact of historical and cultural differences. They stress that this is a pioneer undertaking, the first large-scale effort to exchange information about the writing of the two regions.

The conference, with Dr. Dick Harrison of the department of English as chairman, is open to the public and the proceedings will be published.

Professors Rudy Wiebe, Henry Kreisel, Lewis Thomas, John Foster, and E. D. Blodgett, and Gary Geddes, last year's writer in residence, are among the University of Alberta's representatives.

W. O. Mitchell, Robert Kroetsch, Eli Mandel, Dorothy Livessay, Andrew Suknaski and others will also participate in the conference.

Western writers and historians from the United States who will take part in the conference include Frederick Manfred, author of Lord Grizzly, Riders of Judgement and Conquering

Horse; Wallace Stegner, whose Angle of Repose won a Pulitzer Prize; Leslie Fielder, State University of New York; and Howard Lamar, Yale University.

The conference will contain presentations of six major papers including one by Dr. Lewis Thomas, professor of history, University of Alberta, entitled Prairie Settlement: Western Responses in History and Fiction.

There will also be general discussion periods, panel discussions and readings by various novelists and poets.

Further information on Crossing Frontiers may be obtained by contacting Dr. Dick Harrison in the University of Alberta's department of English, telephone 432-4703.

Approve law course for schools

High school students in Alberta will have the opportunity to study the major concepts in law more closely this September than was previously possible, through the institution of a new Law 30 course approved by Minister of Education, Julian Koziak. The course, recommended by the Curriculum Policies Board in response to student interest in studying law in greater depth, will be offered in most Alberta high schools in September of this year.

In the past the only law course available to high school students was Law 20, which dealt with the basic concepts of law in overview. The Law 30 course may be taken in sequence with Law 20 or independently, with both courses carrying full credits.

The basic concepts covered in the Law 30 course will include authority and justice, responsibility and participation, privacy, diversity, and freedom, and property. These can be treated under more specific topics such as legal

heritage, contracts, criminal law, tort law and business law.

The Law 30 course will include in-depth consideration of at least three of the broad basic concepts mandated, plus one or more options. It will also include a specific, detailed study of a current, concrete example of

these concepts in practice.

Although three new texts for both Law 20 and Law 30 are currently being considered for approval, there is a wealth of literature and materials, most of which is produced locally, that is suitable and available for both course levels.

be held in Edmonton from April 27 to 29 on the University of Alberta campus.

Educators and all who are interested in the use of film in education are invited to attend the "Film Futures" showcase, which is sponsored by the Edmonton Audio Visual Association.

Major distributors of educational films will be showing their newest film releases on a variety of subjects related to the curriculum. These include social science, history, mathematics, physical science, fine arts, language arts and literature. Other categories are humor and

satire, and children's films.

The program begins on Thursday evening, April 27, at the Lister Hall Banquet Room with a wine and cheese reception followed by a screening of 1977 award-winning films from the Education Film Library Association. Guest speaker at the luncheon on Friday, April 28, will be Dale Phillips of Filmwest Associates Ltd. Titled "Cultural Cud," his speech will be about the effects of a changing society on the creativity of the film maker.

Film management seminars will begin on Friday morning, April 28, with an update on film centre developments in British Columbia, Alberta, Saskatchewan, Ontario, the Atlantic region and on the national scene. Speakers for this session will include Colin Neale, director of National Film Board film information distribution system; Martin Adamson, associate director of curriculum, Alberta Department of Education; and Ian Wilson, formerly with Halton School Board Ontario.

and now director of learning resources, Edmonton Public School Board.

Other seminars will deal with locating sources of film, film storage and retrieval, and film selection. Participants are Gail Yeoman, Calgary Public Library; Jim Shaw, Faculty of Extension, University of Alberta; Dan Malone, Sherwood Park Separate School Board; Hal Whyte, Calgary Public School Board; and Lorne McRae, supervisor of media services with Calgary Public Schools. Film management program chairman is Wayne Blair, consultant in media and

curriculum with the Department of Education, Calgary. Chairman of the film showcase program is Jim Shaw, Faculty of Extension, University of Alberta.

A registration fee of 20 dollars includes all social functions as well as the film screenings and seminar sessions. A brochure with program details and registration form is available from Mr. Nick Spillios, EAVA Film Showcase, Learning Resources Branch, Edmonton Public School Board, 10010 - 107A Avenue, Edmonton, Alberta, T5H 0Z8.

U of A choir presents spring concert

Ninety voices will be united in song at the University of Alberta, Friday, April 7.

The University of Alberta Concert Choir, a mixed choir whose members come from all faculties on campus, will present its annual spring concert at 8 p.m. in Convocation Hall.

The choir, conducted by Dr. Larry Cook, chairman of the division of choral music at the university, will perform 16 selections. These include Festival te Deum, Opus 32 by Benjamin Britten; The Spirit Also Helpeth Us by Bach; Darkness Was Over The Earth by Michael Haydn; and The Bell Doth Toll by Violet Archer, professor of music at the university.

In addition, the premiere performance of Three Bits by Gerhard Krapf, professor of music at the university, will be presented. The work, made up of a bit of advice, a bit of bliss and a bit of wisdom, was written especially for the concert choir.

It is described as a

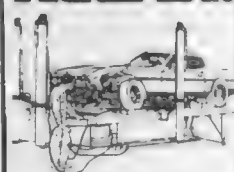

lighthearted, humorous composition of approximately six minutes duration.

Fancy by Zoltan Kodaly will be sung by the concert choir women and the concert choir men will perform Die Rose Stand in Tau by Robert Schumann.

Bryan Butler, tenor solo, will sing I Want to Die Easy and John Krysa, bass solo, will sing Swing Low, Sweet Chariot.

Tickets, priced at \$2 for adults and \$1 for students, senior citizens and children, are on sale in the university's department of music (3-82 Fine Arts Building). Tickets may also be purchased at the door.

"Waiting for the Parade" : An occasion for pride

By Vicky Knight
"Waiting for the Parade" evoked in me feelings which might well be termed chauvinistic -- and to that reaction, I say hallelujah! Canadian female chauvinism is not exactly prevalent, and Canadian women need to experience the smug joy of such feelings for a time if they are to grow beyond them. I emerged from the Northern Light Theatre production with a sense of delight in my sex and my nationality, and above all, in humanity. Evidently, I was not alone. A pride of women in the audience rose to their feet in wonder at the play's end to pay tribute to a most moving production. Theatre often can produce exhilaration, but this was a more private experience than the mass exuberance of a "Godspell." This was an inner rejoicing.

The play, by Calgary playwright John Murrell (the instigator of my flag-waving) takes a penetrating look at five very different women in Calgary during World War II. Each has her private torments, and each copes in a way uniquely her own. In delineating the five, Murrell shuns the stereotypes and creates for us five living, breathing women, that could easily be our mothers, grandmothers, aunts, cousins or -- ourselves. It's like watching a "Roots" for the Canadian woman.

I find it hard to review the performance without dropping a clatter of clichés. Angela Gann was beautifully

bumptious and irritating. However, her skill somehow rendered the character's defeat all the more poignant, perhaps because of her surface abrasiveness. Marilyn Gann's portrait of a girl whose German birth made her an object of scorn was a true 'profile in courage'. Humour, compassion and a kind of elegant inner steel were all evident in Ms. Gann's Marta. Mickey MacDonald, as Catherine with her gritty, resigned courage and earthy wit brought tears of mixed origin to my eyes. Incidentally, MacDonald and Marilyn Gann do a drunk scene that manages to be both uproarious and sad. Their loss of control was real to the point I half-feared they would tumble from the lip of the stage. In the role of Eve, Kathie Ball beholds the world with wide-eyed impatience, reviling her older husband with youthful contempt and providing an excellent foil to the more measured reactions of the other women. Finally there is Joan Boyd as the pious Margaret -- a woman too old and too tired to accept an understanding of the times in which she lives. She dies by inches with frightening authenticity.

I usually shy away from comment on the role of the director, because my remarks would probably reveal my ignorance of the job's intricacies. However, even I could see that Scott Swan must have had a deep rapport with his company. The production ebbed and

flowed in a manner as elemental as woman herself. Mr. Swan must know as much about when not to direct as he does about the act of direction.

Some part of my withered little critic's soul must go unappeased by this production -- there is nothing I could find about which to whine. However, the rest of me was supremely satisfied with what I saw, heard and above all, felt.

America decadent and in love with divorce

AN UNMARRIED WOMAN
RIALTO 2, EDMONTON
By Jim McIntyre

This is the movie which takes us into the divorce jungle of America where current statistics indicate that the divorce rate is edging towards the 50 percent mark.

While Jill Clayburgh gives a fair to middling performance as Erika, jilted by husband Martin as he falls in love with a teacher while on a shirt shopping spree, it is impossible to feel any pity for the protagonists.

Surrounded by staggering affluence, America's spoiled children engage in constant rutting with Erika one of the victims as a 15 year old marriage goes sour.

I have to admit that the sequence where Erika is peremptorily told by her husband that he has just taken off with another woman is superb. I don't think I've ever seen a moment captured where the sheer hurt of marriage vow desecration comes through so well.

Erika battles on mainly in the company of others in similar condition, once nearly raped by an amorous admirer in a cab, then getting doubtful help from a very expensive shrink who herself had been divorced three years ago. (The devil casting out a devil?)

The only gleam of sanity in an otherwise hopeless situation comes when Erika meets an artist, himself on the rebound. The artist, Saul, played by Alan Bates gives the only solid performance in the film, that performance tempered with a charming sense of humour.

- WOMEN IN WAITING -

... above are pictured the women of "Waiting for the Parade," in their various attitudes of anticipation. From left to right are Mickey MacDonald, Angela Gann, Kathie Ball, Joan Boyd and Marilyn Gann. The play can be seen at the Northern Light Theatre at the Edmonton Art Gallery.

Guild exhibit to feature weaving, floral design

The weavers of the Arts and Crafts Guild and the Senior Floral Design Group are working together to feature an unusual exhibit April 6 to 9 at the Arts Centre.

Primitive and loom weavers of the Guild will have for exhibit and sale, articles that have been recently created. Weaving today is based on the same principle as when it was first conceived. Woven

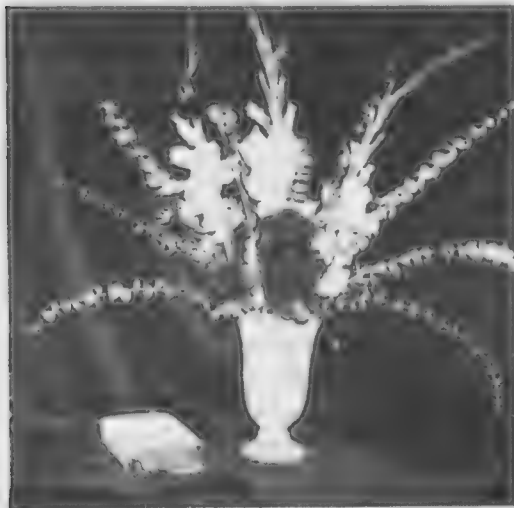

goods, whether they are products of hand or loom, are made by working lengthwise strands (the warp) into crosswise strands (the weft). Articles, made from traditional as well as many experimental techniques, will be available including placemats, cushions, dolls, handbags and wall hangings.

The Senior Floral Design Group under the co-ordination of Lori Mack and Rita Harris will work in co-operation with the weavers to demonstrate the various lines and styles used for both fresh and dry materials.

Members from both groups will be on hand to talk to anyone interested in either craft during the show.

Hours for this exhibit are Thursday and Friday, April 6 and 7 from 7 to 9 p.m., Saturday and Sunday, April 8 and 9 from 1 - 4 p.m., at the Arts Centre on Sunset Boulevard.

"The Guardsman" revived at Theatre 3

A romantic comedy in the great tradition, Ferenc Molnar's *The Guardsman*, will be staged in all its elegant opulence at Theatre 3 beginning April 13.

Guest Director Robert Graham describes *The Guar-*

dsman as a throwback to a romantic age when love, romance and matters of the heart were more important than mundane matters of daily living.

Molnar's masterful comedy, set in Vienna, lets us in on the artful deceptions of a married couple -- an Actor and Actress whose theatrical genius is never more brilliant than when they are off-stage. *The Guardsman* is more than a send-up of theatre people of the time; it treats the intriguing theme of reality and fantasy, a theme that was being explored in depth by Pirandello at about the same time.

The play became a tremendous success with the Lunts in the 1924 New York Theatre Guild production, and then was rarely played until last year's hit at Stratford with Maggie Smith and Brian Bedford.

Judith Mabey returns, with her portrayal of the actress, to the mode of elegant coquetry in which she excelled in last year's production of *LaRonde*. Jim McQueen, who takes the role of the actor, is a visiting actor from Vancouver who has stage experience ranging from Shakespeare through

musical theatre to television.

The cast is completed by Margaret Martin as the mother, Christine Willes as the maid, Stephen Walsh as the creditor, and Michael Murdock as the critic.

Robert Graham has worked as a professional actor and director for the past 12 years in both theatre and television. Based in Vancouver, he has performed major roles for all the theatre companies in Vancouver and Victoria. He is a founding member and principal director of Vancouver's successful Westcoast Actors, and has directed several world premiere productions for the New Play Centre in Vancouver.

Designer for *The Guardsman* is Terry Gunvordahl, who will be remembered for his design of *LaRonde* and for many sets for Stage West where he is resident designer.

The Guardsman opens April 13 and runs until April 29 at Theatre 3. Performances are Tuesday through Sunday at 8 and Sunday at 2. Tickets are now available through the Bay Box Office or at Theatre 3, 10426 - 95 Street. Phone 426-6870.

St. Albert School District No. 3

PUBLIC HEARING

A public hearing will be held by St. Albert Catholic School District No. 3 at Bertha Kennedy School on April 17, 1978 at 8 p.m. to discuss the District Housing Policies and Student Housing for the schools during 1978/79.

DISTRICT HOUSING POLICY

St. Albert School District No. 3 recognizes the value of community schools, particularly at the elementary level. Notwithstanding this policy, however, the Board further recognizes the concept and value of centralized junior and senior high schools.

A community school is defined as a school where, with the sanction of the School Board in co-operation with other local authorities and on behalf of the community there is formal commitment to the use of the educational process for both individual and community betterment.

SECOND LANGUAGE IMMERSION HOUSING POLICY

St. Albert School District No. 3 supports the concept of centralized housing for Second Language Immersion programmes.

A Second Language Immersion programme is defined as one where at least 50% of the students' instructional time is in the second language.

While the above policy statements reflects the Board's position with respect to the ideal housing arrangements, it is recognized that on a given year, deviations from the policies may be necessary.

PROPOSED HOUSING PLAN - 1978-79

Vital Grandin school house all grade one to seven students east of the highway plus the opportunity room children.

Albert Lacombe school house all grade one to seven students from the Grandin Park subdivision.

Father Jan school house all grade one to seven students from the Mission Park subdivision, grade seven students from Lacombe Park and the E.C.S. and grade one French Immersion programme.

Bertha Kennedy school house all grade one to six students from the Lacombe Park subdivision.

Vincent J. Maloney school house all grade eight and nine students in the City.

St. Albert High school house all grade ten, eleven and twelve students in the City.

Any ratepayers who wish to receive additional information related to the housing plan for the 1978-79 school year, can obtain a report from central office.

Library books for those with a 'growing' interest

Simple Greenhouse Gardening, edited by Francis Stark and Conrad Link. This clear, concise and superbly illustrated book takes the reader step by step through the stages of choosing a greenhouse, selecting a site, laying the foundations, putting it up, lighting it, heating

it and maintaining it, and then goes on to describe the wealth of plants that can be grown in a greenhouse.

The Handmade Greenhouse From Windowsill to Backyard, by Richard Nicholls. The primary purpose of this book is to assist readers who wish to construct their

own greenhouses. The topics covered include a discussion on the advantages of having a greenhouse, types of greenhouses, learning to become familiar with tools, plan and construction techniques, actual step-by-step instruction for building several types of greenhouses, and how to supply and stock your greenhouse once it is finished. The last section outlines care and maintenance of the greenhouse, handling problems that might arise, and how to make money with your greenhouse. Also included is a resource section listing names and addresses of suppliers.

book.

How To Build and Operate Your Greenhouse by Charles Ellwood. The author filled this book with practical facts, procedures and information about greenhouses drawn from his long experience in agriculture. It includes growing methods, hydroponics, nutrients formulas, plant costs, heating, cooling and introduction to solar heating.

Canadian Garden Perennials by A. R. Buckley (one of Canada's most widely read garden columnists). Herba-

ceous perennials form the backbone of most gardens. This book is intended to provide the home gardener with practical information on many of these plants. During the past 10 years, many new varieties of perennials have been developed and are available to the home gardener at most garden centres and nurseries. New hybrids of the old-fashioned, common garden perennials are now available in different forms and colors.

Small Gardens for City and

Country: A Guide to Designing and Planting Your Green Spaces, by Alice Recknagel Ireys. Whether you have a small backyard or want to develop a section of your country home, this book shows you how to utilize whatever space and resources you have on hand to create a garden of your dreams - be it a Japanese garden, a garden with a waterfall, an 18th century retreat, or an easily maintained garden that you can construct yourself.

BATIK DISPLAY

St. Albert Public Library is currently featuring a batik display of wall hangings, childrens toys and clothes by Lynda James. Lynda, who is a local resident, teaches classes at the St. Albert Arts and Crafts Guild as well as in Morinville.

She has had her work displayed at the Edmonton Art Gallery and for sale at the Art Gallery Store and Out of The Woods, a store for handcrafted children's toys. Lynda was the judge for the library's poster contest last spring.

Lynda will be the featured guest on the library program "The Inside Story" which can be seen on Capital 5 this Wednesday at 7:00 p.m.

SPRING PROGRAMS

Registration is now open for all spring programs. There is still room in the puppetry workshop which

starts this Saturday. If you are between 11-13 years old you can come down and register anytime this week. We will be making puppets and putting on a puppet show.

We have had some worried enquiries about our stolen puppets. We are happy to announce that they have all been returned safe and sound.

Black comedy coming to SUB

The Vancouver Playhouse, British Columbia's major professional theatre company, will present Joe Orton's outrageous black comedy LOOT on April 21 to 22 at 8 p.m. at the Sub Theatre, U of Edmonton.

This third annual Playhouse tour of the province, made possible with the generous assistance of the Touring Office of the Canada Council and sponsored by Air

Canada comes directly from a highly successful run in Vancouver.

Loot which has been a long running hit in London and on Broadway, is a zany, bizarre upside-down comedy which outrages justice, the church, medicine and the sanctity of the dead in a Monty Python vein.

Joe Orton's cockeyed, but insightful whirl at a murder mystery involves a missing

corpse, a coffin filled with banknotes, a freshly bereaved husband (Colin Miller), a sinister son (Ian Deakin), an alarming under-

taker (Ron Halder), a fearless inspector of the water board (Richard Gishler) and a constable (Gary Chalk).

The production will be directed by Paul Reynolds. The imaginative set design is by Judith Lee.

Tickets for Loot are available at all usual outlets. For information call Sub Theatre.

April events at Graphica

A show feature the erotic prints of Suzanne Gauthier and Nobura Sawai previewed Sunday and will run through to the 15th.

On April 7 (Friday) members of the Edmonton Recorder Society will be at Graphica, 8815 - 92 Street for a recital. The program, which begins at 8 p.m. will feature works by Desprez, Handel, Loeillet, Kruntz, Britten, etc.

Britten, etc.

The last half of the month will feature drawings by Gloria Cantwell. A preview will be held Sunday, April 16 at 2 p.m.

An evening of music, metaphysics and poetry with Dennis Zomershoe, Norman Macinnis and friends will be held Friday, April 21. The discussion will centre on Gnosis - Divine Entertain-

ment.

Francine Gravel, print-maker and lecturer at Simon Fraser University, will be a

featured guest Sunday, April 23 in a wine and cheese get-together. Things get underway at 2 p.m.

Spring concert at library

The Community Programs Division of the Library presents a musical concert, "Warm Rain in April" in the Centennial Library Theatre beginning Thursday, April 13 to Saturday, April 15.

"Warm Rain in April" is a concert of new popular music by David Cunningham, Wilfred Kozub, Don Stardom and Gary Sill. Opening the show will be music performed by "Fat Chants" featuring music composed by Ross Campbell. Another group, "Chautauqua" will perform "The Picnic" a music fantasy written by David Cunningham.

All performances begin at 8 p.m. Thursday, Friday and Saturday, April 13 to 15, in the Centennial Library Theatre. Tickets are \$3.50/adults, \$2.50/students, senior citizens and are available at all

Woodwards' outlets and at the door. For further information call 423-2331, ext 310.

Beach Boys return to K-Days

The Beach Boys are returning to Edmonton's Klondike Days to open the 1978 Coliseum of Stars.

The Beach Boys will perform at 8 p.m. on Wednesday, July 19.

Beach Boys records such as Surfer Girl, Help Me Rhonda, California Girls were all hits and the Beach Boys are still producing songs that portray fun to today's youth. This is captured in the recent album "The Beach Boys Love You" with songs of "Roller Skating Child" and "Honkin Down the Highway."

Tickets for the Beach Boys show go on sale Monday, April 3, 1978 at all Exhibition outlets, the Coliseum Box Office, all Edmonton Woodward Stores, the Bonnie Doon Mall and Hub Mall at the University of Alberta. Ticket prices of \$7, \$8 and \$9 include admission to the Exposition Grounds during Klondike Days, July 19 - 29.

Spring...cleaning!

By Alberta Agriculture
District Home Economists
Pat Doerksen and
Laura-Marie Kirchner
M.D. Building, Morinville.
Phone 939-4351

April showers bring May flowers ... but those flowers also bring mud and grime that is quickly tracked throughout the house. I don't know why but Spring is traditionally associated with house cleaning. Most homemakers give their house a thorough cleaning at this time of the year. Whether or not you are a "Spring cleaner" the following information on cleaning agents will probably be helpful to you at some point.

ABRASIVE CLEANERS ... [from August, 1977 Canadian Consumer]

Care should be taken with the use of abrasives because the 'grittier' they are the more harm they can do to your sinks, tubs and cookware. Abrasive cleaners were originally a mixture of sand and soap used to clean and burnish metalware. The more abrasive the cleaner, the more it will score porcelain finishes, creating tiny ravines which catch and hold grease and dirt.

Bon Ami and Loblaws brand abrasives were found to be the least abrasive. An alternative is a good powder concentrate, (i.e. Spic and Span) or a liquid cleaner, (i.e. Lysol, Mr. Clean, etc.). These cleaners are completely soluble, therefore non-abrasive. Ajax, Dutch and Top Value were found to be most abrasive, Comet rated in the middle.

If you don't want to dull new fixtures, use a non-abrasive cleaner or one of the least abrasive ones. Most cleaners have bleach added, therefore they will remove stains. If your bathroom fixtures are not new, you are probably stuck using an abrasive cleaner to get out the residual dirt. Do not use an abrasive cleaner on anything with a high finish, (i.e. cutlery or glass) and do not believe that dosing your sink with a couple of teaspoons of cleanser will clean the drain.

Birth

Announcement

MONTAIN - Jim and Linda Mountain are pleased to announce the birth of their first child, a daughter, Jacqueline Michelle, born March 21, 1978 at the Sturgeon General Hospital. Weight: 7 lbs., 8 oz. Our special thanks to Dr. Chow, Dr. Bell, and the staff of the Sturgeon General Hospital.

HOUSEHOLD CLEANERS

Consumer Reports, buying guide, 1977 tested several cleaning products to see how well they could get rid of different soil types. All products found floor soil easiest to remove, wall soil on semi-gloss paint almost as easy, on latex flat paint the hardest and on vinyl tiles somewhere in-between.

The testing found full-strength sprays the most convenient to use. They are intended to be used undiluted. High in cost, sprays are recommended chiefly for spot cleaning and stubborn stains. Rated in decreasing order of performance: Whistle, Fantastik spray cleaner, Formula 409, A & P spray cleaner and K-Mart spray cleaner.

Conventional cleaners are intended to be diluted or dissolved in water. Generally, cleaning effectiveness increases with concentration as does the potential for harming people and things.

The following were judged overall best, they are listed alphabetically. Ajax all purpose cleaner, Lysol deodorizing cleaner 11, Mr. Clean, TOPCO all-purpose cleaner, TOP JOB and White Magic all-purpose cleaner.

All cleaning products pose some degree of hazard, therefore keep away from children. Plastic bottles are safer than glass. Never mix ammonia with chlorine bleach - the mixture could produce other volatile hazardous substances.

CLEAN OR SEMI-CLEAN?

I sometimes wonder about the old saying, cleanliness is next to Godliness. Of course, it is important to have a

certain degree of cleanliness in a home but I question the person who puts this foremost in importance.

Here is a rather nice way to sum up where I feel a homemaker's priorities should be:

"In 100 years it won't matter what kind of house you lived in or how clean it was, but the world may be different because you were important in the life of a child."

Plan fashion show for brunch meeting

At this time of year some of our thoughts may turn, with wistful vanity, to the prospect of new spring clothes, amongst other things. The St. Albert Christian Women's Club has kept this in mind in planning their latest brunch meeting, and scheduled a "Shower of Fashions" for Dori Lynn Fashions. The fashion show will take place at the club's meeting on Thursday, April 13, at the St. Albert Inn, from 9:30 - 11:30 a.m.

Music will be provided by soloist Bev Gordon and the speaker will be Gail Jespersen. Mrs. Jespersen is an Edmonton homemaker, nurse and mother of three.

The Christian Women's Club Brunch is a popular event and reservations are necessary, as are any cancellations. To reserve a space, call Diana Unrau at 458-9672 or Lorraine Carter,

Workshop explores children's music

All interested people are invited to a parent workshop sponsored by the Parish Kindergarten on Wednesday, April 12, 1978 at 8 p.m.

at Albert Lacombe School.

Mrs. Margaret Nelson from the Alberta College School of Music will be speaking about 'Music for

your Child'. Mrs. Nelson is presently teaching music for Alberta College at the St. Albert Legion to pre-schoolers. Her program includes

introducing children to musical rhythms through instruments, singing and listening to music and the program serves as an intro-

duction to continuing music studies. She will be speaking about her program and will also be giving parents excellent ideas for enjoying

music with their children at the home.

The Hideout Column

By Sharon Beale

This is the first of a series of weekly articles that will be presented to you by the St. Albert Teen Centre executive. The column is designed to present to you an itinerary of activities that are taking place at the Teen Centre.

The Teen Centre executive consists of representatives from the local teen clubs, local junior high and senior high schools and independent members from St. Albert and Edmonton.

Our present executive is made up of: Butch Lindstrom, president; Albert Zylstra, vice-president; Tracy-Jo Sullivan, secretary; Lori Lukaniuk, treasurer; Jim Connolly, P.R., Activities Co-ordinators: Sharon Beale, Mike Lalonde, Trevor Mowbrey, Jamie Irwin, Kim Green, and Doyle Campbell. Doyle, our newest member, is an independent representative from Edmonton who showed stamina at his first meeting by staying awake.

For those of you who are unfamiliar with the Centre and whose only recollection of a Saturday night is what time you hopped into the sack, here's a bit of information to restore some excitement into your lives. The Centre is located at 6 Cunningham Road, beneath the Day Care Centre. It is open on Friday and Saturday

nights from 7 til 12. We hope to have it open six days a week during the summer. For further information phone the Centre at 458-9947 or Brian at Community Services, 459-6601, ext. 48.

Our first disco was held on March 17, St. Patrick's Day. It was a great success due to many overworked and underpaid community servants who strived to uphold a sense of sanity that night by losing theirs (namely us!!). Anyway, it was a great success and thanks go out to Mrs. De Champlain, our numerous teen-aids and teens. We hope to hold another disco in late April. Also coming up, hopefully, is a craft workshop.

On regular nights the Centre is equipped with pool tables, foosball, ping pong, a juke box, concession and several teenaiders. Memberships are available, annually, at the measley price of \$2.00. Nightly fees are 25¢. Where does all this money go you query? Why, into the Hideout's coffers, of course. It's used for replenishing supplies, making improvements and paying off ridiculous debts that contain too many zeros!! Later on in the year, we hope to provide more games, equipment and furnishings.

Return next week, same paper, same page when insanity over-rides the column!!

Parsonally Speaking

Pastor B. L. Heath
First Baptist Church

Some years ago the archbishop of Paris was preaching in the Cathedral of Notre Dame. He told of three

boys, worldly rude and godless, who wandered into that magnificent cathedral one day. Two of them bet the third lad that he would not make a bogus confession, kneeling at the great crucifix.

"Go kneel, look up into the face of the dying figure and repeat three times, 'you did all of this for me, but I don't care at all'. The daring boy swaggered over and knelt looking up, he began, "All

this you did for me and I" He got no further, as tears filled his eyes. His heart was torn with repentance and he was reborn.

"This is a true story," the archbishop said, "for I was that young man."

As we look at the crucifixion as recorded in Isaiah 53 can we say "he did it all for

despised and rejected of men; a man of sorrows, acquainted with grief; and we hid as it were our faces from him; he was despised, and we esteemed him not. Surely he hath borne our griefs, and carried our sorrows; yet we did esteem him smitten of God, and afflicted. But he was wounded for our transgressions, he was bruised for our iniquities; the chastisement of our peace was upon him; and with his

stripes we are healed. All we like sheep have gone astray we have turned everyone to

his own way; the Lord has laid upon him the iniquity of us all."

Special revival meetings

Guest Minister Bob Shaddox is holding special meetings till April 9 at the Father

Lacombe School and the V. J. Maloney school "trying to get people towards a closer

relationship with Christ."

Rev. Shaddox is formerly from Helena, Montana and is a pastor at the Calgary Baptist Church. He was also formerly a pastor with the Armed Forces.

The "revival" meetings will be held April 6, 7 and 8 at the Father Lacombe school at 7:30 p.m. and at the same time Sunday night at the V.J. Maloney school.

Horned hereford sale winds up

Cattle prices have been brisk this year. The horned Hereford sale wound up Tuesday evening with 175 lots of bulls sold for an average of \$1,399.08, totalling \$244,839. Females went for an average of \$947.44 for a total of \$36,950 for 39 lots. In both cases averages were up from last year.

High selling bull sold to Vernon Lyseng and Sons, Armana and William Solverson and family, paying \$10,000 to Jeanette Evans of Forestburg for Britisher Lad 3H. High selling horned female, CH Britisher Lady netted Charlie Cutler of Lacombe \$2,450. Buyers were Lief and Wayne Erickson of Viking.

At the Shorthorn auction 22 bulls sold for an average price of \$1,235.23, \$459.48

over that of last year. Female averages were up \$338.24 over 1977, with six lots going for an average of \$664.17.

William and Victor Melenka's bull, Melbros Super Flag 4H, sold to Otto Kalmbach and Ronald Wilders, Dapp, for \$3,800. High selling female, also owned by the Melenka's was Miss Miami 18H selling to Don Kalmbach, of Barrhead, for \$1,000.

ST. ALBERT BUYER

In Aberdeen-Angus selling, 26 bulls went for an average of \$1,134.42, up \$357.34 from 1977. High seller, GV Canadian Winton 1J, a bull from GV Farms, Bashaw, sold to Harold Hesse, St. Albert, for \$2,400. No females went on the block this year.

Canadian Western Stock Show and Sale is an annual event sponsored by the Edmonton Exhibition Association, March 26 through April, and held at the Edmonton Exhibition Grounds in conjunction with Superodeo, March 29 through April 2, the Farm and Ranch Machinery Show, March 27 to March 31, and the Quarter Horse Show, March 28, 29 and 30.

Exhibition opening date changed

The official opening of an Edmonton Art Gallery Exhibition entitled "Recent Acquisitions," showing works acquired by the Edmonton Art Gallery in 1977, will be changed to Friday, April 14, 8:30 p.m. It will be a joint opening with another Gallery Exhibition entitled "Eugene Atget," showing a selection of photographs by a pioneer of Documentary Photography, known for his views of Paris streets and parks.

The public is welcome to attend this function.

QUALITY FAMILY HOME

Plan No. P4-3-135

This quality family home, designed to take full advantage of the 1320 square foot floor space, is conservative in appearance and yet as modern as anything on the market. Ideal for the

young growing family or the retired couple who expect frequent visits from the grandchildren.

An extended roof from the two car garage affords complete shelter for the front entry. There are three stairs from the front foyer to the living room level, where an open balustrade helps effect a more spacious living area. The wood-burning fireplace is the focal point of the living room, with a delightful bay window, facing the front of the house, creating a secondary feature.

The family size dining room can have either an arch or a pocket door into the living room. Service from the kitchen is but

a step away.

The kitchen is bright and airy, featuring a nook for light lunches and snacks. Every consideration has been given to this design for convenience and there's room for all the latest appliances. A large window over the sink area creates extra light during the day, as does the window in the nook area.

From the kitchen it is possible to control activities, through an open rail, in the family room on the lower level. Here, saving endless tracking through the house, is a washroom and toilet, a utility, and an unfinished area that could become a workshop or spare bedroom in the future.

Up a central stairway, near the front entry, the bedroom wing has two smaller bedrooms that are served by a three-piece vanity bath, which also doubles as a guest powder room. The master bedroom has a large rear view window, and his and her closets are adjacent to the three piece shower ensuite.

Plans for Design No. P4-3-135 may be obtained at a cost of \$68 for a set of three and \$9 for each additional set. Allow \$2 to cover postage and handling.

To view more than 100 well-designed quality homes of every type, send for the current publication of "Home Plan Catalogue" available for \$2.60 (\$2.25 plus 35¢ postage and handling). Make all cheques and money orders payable to "Plan of the Week" and mail to: Plan of the Week, c/o St. Albert & Sturgeon Gazette, 324 Columbia Street, New Westminster, B.C. V3L 1A6.

Eight medals for St. Albert boxers at Provincial championships

The St. Albert Boys Boxing Club entered eight fighters in the Provincial Championships held at the Native Friendship Centre and the Convention Inn South on the April 1 and 2 weekend.

Results - four gold, one silver and three bronze medals. In addition the clubs record of never having had a boy knocked down or failing to go three full rounds remains intact.

Following is an account of how our boys made out:

Martin Teuber (100 lbs. JR. C) - Gold Medal. Martin knocked out Mike Moberley of Grande Cache in 25 seconds of the first round and went on to win his medal via a unanimous three round decision over Curtis Biederman of Calgary. Undefeated in eight bouts, including four by K.O., Martin also won a gold medal at the Alberta Winter Games and is the Bronze Glove and Provincial Champion.

Michael Richmond (90 lbs. JR. B) - Gold Medal. Michael

won his medal and the Provincial Championship by outpointing Jerrard Heron of Calgary. This was a particularly satisfying win as Heron had won a close split decision over Michael at the Winter Games depriving him of a Gold Medal at that time. Michael has now won three out of five bouts including one by first round K.O.

Dave Stephen (95 lbs. JR. B) - Gold Medal. Dave won his medal and the Provincial Championship by winning a unanimous decision over Darrell Law of Pembina. This was quite an achievement as it was only Dave's second bout. What a start for a young boxer - undefeated and Provincial Champion in only two bouts.

Grant Arneson (85 lbs. JR. A) - Gold Medal. There was no competition in Grant's division so Grant won by walk over. Grant is undefeated in three previous bouts, including two by K.O., and is also the Bronze Glove Champion.

Todd Kathol (75 lbs. JR. A) - Silver Medal. Todd lost a close split decision to Robert Risling of Medicine Hat who won the Gold Medal. This was only Todd's second fight as compared to seven bouts by his much more experienced opponent. Todd won his only other bout and this tough young boxer will be winning championships in the very near future.

Sean Wharton (60 lbs. JR. A) - Bronze Medal. Sean had only one bout (a win) prior to entering this competition and there were no entries in his weight division. Rather than accept a Gold Medal and not fight he chose to move up a weight division. Giving away six pounds and almost three years he boxed Kevin Hamilton of Rocky Mountain House, and lost a close decision. Hamilton had six previous bouts so this was good experience for the St. Albert boxer. At seven years of age Sean was the youngest boxer to compete in this tournament.

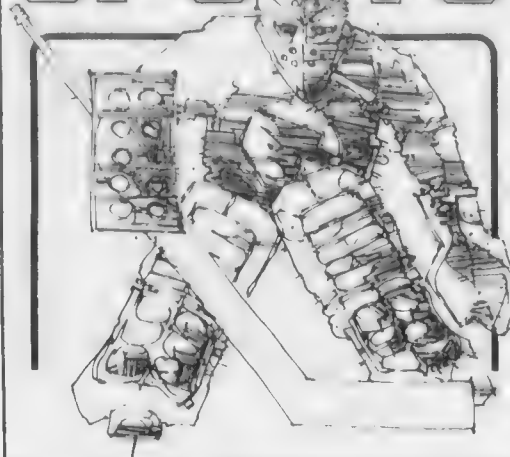

Peter Richmond (105 lbs. JR. C) - Bronze Medal. Peter lost a controversial split decision to Lorne Hetchie of Calgary who went on to win the Gold Medal. This was Peter's first loss having won five previous bouts including two by K.O. Peter is the Bronze Glove Champion and won a Gold Medal in the Winter Games.

Neil Kathol (132 lbs.) Intermediate Novice - Bronze Medal. Neil lost a close decision to Randy Linderman of Lundbreck who went on to win the Gold Medal. This was by far Neil's toughest fight to date as Linderman was vastly more experienced and was chosen as best intermediate in the Championships. In fact Linderman probably should have been Please Turn to Page 24

- Taking one on the chin -
St. Albert's Michael Richmond (right) avenged his loss to Jerrard Heron in the Bronze Gloves by outscoring him in the Provincials held on the weekend.

SPORTS

Comets and Barons tied 1 - 1 in Intermediate finals

The Alberta Major Intermediate Hockey League finals are now underway with St. Albert Comets and Sherwood Park Barons deadlocked at one win each.

The best-of-seven series opened in St. Albert Friday with the hometown Comets winning 6-2. But it was a

different story Sunday in Sherwood Park, when the Barons scored three third-period goals and won 4-3.

The third game will be played in St. Albert this Sunday night at 8 p.m. while the fourth game is slated for Sherwood Park sometime next week.

were all given match penalties in the second period. Both Georgy's calls were for spearing, while Currie's was for bumping into the referee. All three are suspended from further league play until league president Bill Mojeski reviews referee Eric Patterson's game report. The three, however, can still play in the provincials.

In addition to the third game here on Sunday at 8

p.m., that evening will also feature the awarding of individual and team trophies. Please Turn to Page 24

Fastball meeting next week

The Sturgeon Men's Fastball League will hold their first meeting of the season Tuesday, April 11, starting at 7:30 p.m. in the Mission Clubhouse.

Any new ones which would like to make application into this progressive league are asked to attend.

Last year's 14-team league was made up of teams from Stony Plain (2), Spruce Grove

(3), Calahoo, Onoway, Devon, Alexander, Garden Valley, Enoch and three from St. Albert.

There will also be an election of officers for the various league positions.

Comets in Provincial final tonight

St. Albert Comets will open defense of their Alberta provincial intermediate hockey "B" crown tonight, when they host Red Deer Border Pavers in the first game of a two-game, total-goal series. The game will be played in the new Akinsdale Arena and is slated for 8:30 p.m.

The second game will be played in Red Deer, Saturday, April 8, at 8:30 p.m. Comets reached the final for the second straight year as they eliminated Fort McMurray G.C.O.S. Blades, while Red Deer knocked off Enoch Tomahawks in the other series.

In the "A" finals it will be Sherwood Park Barons and defending champion Calgary Trojans.

St. Albert won the "B" title last year with 5-2 and 6-4 wins over Olds Elks.

Comets 6 - Barons 2

The opening game of the series was dominated by St. Albert as they scored two goals each period, enroute to an easy 6-2 win.

Blaine Georgy opened the scoring at 7:05 with assists going to Doug Currie and Rich Perrault, and at 15:46 the Comets went ahead 2-0 when Murray McLaren got an unassisted goal.

Barons got on the scoreboard at 10:11 of the second period with Joe Tremblay beating Carey Winquist.

Goals by Brian Stevens at 15:06 and Bob Foote at 19:42 put St. Albert out in front 4-1 after two periods of play and for all intents and purposes it was all over for the Barons.

John Gallimore scored the Barons' second and final goal of the game at 2:32 of the third but Winquist shut the door the rest of the way.

Foote added his second of the night at 12:13, and Matt Lister's goal at 16:51 ended the scoring for St. Albert, as Comets won handily by a 6-2 score.

Carey Winquist was sharp in the St. Albert goal, stopping 32 shots, while Dennis Clelland was called on to make only 19 saves.

Comets also lost the services of Blaine and Brian Georgy and Doug Currie who

Barons 4 - Comets 3

Comets appeared to be on their way to their second straight win of the series as they opened up a 2-0 first-period lead on a pair of goals by Larry Stewart before four minutes of the first period had been played.

The two-goal lead held up until 12:47 of the second when John Gallimore scored on Comet's Dale Henwood, who had made some fantastic saves prior to the goal.

Comets went ahead by a 3-1 margin at 14:26 on Bob Foote's goal and went to the dressing room with a two-goal lead going into the final 20 minutes of play.

Baron coach Bob McGill must have given his players a hell of a pep talk as they came out flying in the third and scored three times in just over three minutes. Dave Ritchie scored at .47 and 1.35 and Ernie Lazaruk popped in the winner at 3.37.

Strangely enough none of the seven goals came on the powerplay, although a total of 31 penalties were handed out by referee Jean Boisvert.

Henwood was no doubt the best player on the ice, stopping 54 shots, while Ed Dyck in the Barons net was called on to make 35.

- FIRST GOAL IN NEW ARENA -

...The first official goal scored in the new St. Albert Arena was scored on February 25, 1978 when the Roger's Esso Rebels played the Medical Centre Monarch Drugs. To mark this occasion the Kinsmen Club of St. Albert have donated a permanent trophy that will remain in the arena and a moment to Dan Keene from the Medical Centre Monarch Drug's Mite A team. Gerry Dux, Kinsmen minor hockey chairman presented the trophy while John McMahon, peewee division head looks on.

U of A spring rodeo starts April 15

The University of Alberta Rodeo and Riding Club wish to announce "Spring Rodeo '78."

One of six Alberta collegiate rodeos sanctioned by the Canadian Intercollegiate Rodeo Association, Spring Rodeo '78 will take place Friday, April 14 and Saturday, April 15 at 7:30 p.m. in the Spruce Grove Arena.

Over 50 entrants are expected from most colleges and universities in Western Canada for competition in the main events.

In addition, this year's rodeo will host the first annual celebrity cow ride for the Carling O'Keefe Awards. Competitors in this event will be members of the Edmonton and area media and representatives from the various rodeo sponsors. If nothing else, the celebrity Wild Cow Ride promises to be an entertaining addition to this year's event.

There will be a dance and

festival Saturday evening following the final performance.

Tickets will be available at the door or in advance from any rodeo club member.

Centennial Cup not for juniors

By Larry Mitchell

Canadian Amateur Hockey Association President, Gordon Renwick, went along with sidekick Doug McKenzie, president of the Alberta Amateur Hockey Association, in the refusal to allow the Alberta Junior Hockey League to compete in the Centennial Cup playoffs.

Both the C.A.H.A. and the A.A.H.A. ruled that the winner between Calgary Canucks and Fort Saskatchewan Traders would not be eligible to play in the Centennial Cup because the A.J.H.L. used unhelmeted officials during the season. Canucks presently lead the best of seven series with three straight wins over the Traders.

I wonder what the thinking of Mr. McKenzie and Mr. Renwick is towards the British Columbia Junior Hockey League and the Saskatchewan Amateur Junior Hockey League is. Both of those leagues use some helmetless referees and yet they can play in the Centennial Cup.

There is no question in the minds of A.J.H.L. team officials that their league is being used as an example to other leagues: 'you had better abide by the rules or don't play the game'.

Referees should have the right to either wear or not wear helmets - especially the older ones in the league, who have never worn a helmet in their lives, and are not about to start now. Most of these are the ones who are experienced in Junior type action and know how to officiate this brand of play.

In any event, its about time that the two organizations got together and sorted out this mess. The longer it goes on the only ones to suffer will be the kids that are trying to better themselves. Lets get politicking out of hockey and give it back to the legislative buildings where it belongs.

Namao wins Calahoo girls tournament

The first annual Calahoo Sports Association girls hockey tournament was played last weekend with seven teams taking part. Drayton Valley was to have been the eighth team, but they cancelled out at the last moment.

Teams from St. Albert, Stony Plain, Linarja, Namao, Westlock, Riviere Qui Barre and Calahoo took part and some very exciting hockey action was displayed.

Namao Comets won the "A" division with an 8-0 win over Calahoo TNT's in the

final game while the "B" winner was Stony Plain with a 5-3 win over Riviere Qui Barre.

The final game of the "A" side was scoreless after the first period of play but in the second period Namao took a 3-0 lead and went to add five more in the final period. June Gautier paced the Comets attack with five goals and won the most valuable player award for her team. Donna Mitchell won the medal for the most valuable player on the Calahoo team.

Legion holding Andy Capp dart tourney

The St. Albert Legion Dart Club, now in its second year of existence, has organized a dart

tournament for mixed teams Saturday, April 29. The tournament will be called the Andy Capp and is

sponsored by Carling O'Keefe Breweries. It's open to everyone who feels they may possess a little dart throwing prowess.

Registration for the one day affair begins at 9 a.m. at the St. Albert Legion on Tache Street and play will begin at 9:30.

Entrants are expected from as far away as B.C. and at present the Club has received an entrant from Medicine Hat.

The St. Albert Club stresses the social aspect of the game rather than the competitive although it does have a team which, won the B section in the Edmonton Dart League. Next year they hope to enter four teams.

The Club meets Tuesdays at the Legion and invites anyone interested in playing next year to come out, check the place out, and leave their name.

A wind-up banquet is in the planning stages for early in May at which time trophies will be presented to the top league teams.

The Andy Capp Tournament will be a single round robin in two sections with the winners playing off late Saturday afternoon. Anyone requiring further information on the tournament or the St. Albert Legion Dart League can get same by phoning the Games Captain, Ron Walker at 973-6870.

Territorial leasing Sabres place second in Provincial "A" final

St. Albert's bantam representative team, despite the rough start they got off to at the beginning of the season, came within five minutes of capturing the Alberta Provincial "A" title this past weekend.

The Sabres put together their best hockey of the season, winning all three round robin games in their division before losing a hard fought battle to the Red Deer Moose Chiefs in the final game.

CONVINCING COMEBACK AGAINST LETHBRIDGE

St. Albert opened up the weekend tournament Friday morning against the host team, Lethbridge ACTs Sabres had little trouble with the ACTs once they got on track.

They fell behind 3-1 after one period of play with Greg Miller the only one able to turn the red light on.

However, the second period was all St. Albert as Brent Weller picked up two goals with singles going to Rick Gray and Jim Owen.

The third period once again was all Sabres, Jim Owen picked up his second and third goals of the encounter and Rick Gray potted his second.

Lethbridge rounded out the scoring in the game, leaving St. Albert with an 8-4 victory.

St. Albert picked up 19 penalties to Lethbridge's 11, however, they were very effective in killing penalties during the entire weekend.

Sabres scored one short-handed goal during the game as well as one while playing two men short.

SABRES ROLL OVER GRANDE PRAIRIE

The team had little time celebrating their victory as they were back on the ice two hours later against the Elks from Grande Prairie.

Sabres were still high from the morning game which enabled them to jump to an early lead on two goals by Brad Hammett. St. Albert

met up with some very steady goaltending which kept Grande Prairie in the game in the early going.

The second period was a let down for the Sabres. They were outscored 2-1 with Paul Kelly the lone scorer. Fine goaltending by Ron Malo kept the Sabres in the game during this period.

The third period was all St. Albert once again as they scored four more times on goals by Jim Owen, Mitch Poulin, Rick Gray, and Murray McKeage. Dennis O'Neill picked up three assists in the contest.

The first day was a particularly big one for St. Albert as the two victories assured them of a final spot in either the "A" or "B" section, depending on their outcome against Medicine Hat.

TIGHT GAME WITH 'HAT'

The game Saturday against Medicine Hat proved to be the toughest competition to date for the St. Albert team. Both teams were undefeated in their first two games.

Medicine Hat opened up the game's scoring on a powerplay goal at the 11 minute mark of the first period. This was the first powerplay goal Sabres had given up on the weekend.

Sabres quickly tied the game four minutes later on a goal by Jim Owen.

The second period was also a draw as both teams picked up two apiece. O'Neill and Gray capitalized for St. Albert.

Once again the third period was all St. Albert as they outscored Medicine Hat 3-0 with Kelly picking up two goals and Hammett a single. Gray picked up two assists in the game and Ron Malo and Chris Donnelly shared the goaltending duties.

The victory gave St. Albert a berth into the A final for the provincial title.

FINAL GOES TO OVERTIME

The final game truly

PLACED SECOND IN BANTAM PROVINCIALS

... The Territorial Leasing Sabres: Back row left to right: Dan Holliday, Rick Gray, Don White, Todd Lesenko, Brent Weller, Dennis O'Neill, Greg Miller. Middle row left to right: Mitch Poulin, Murray McKeage, Brad Hammett, Blain Malanchen, Tom Shipanoff, Jim Owen. Front row left to right: John Sexsmith, Dean Clark, Blaine Galbraith, Paul Kelly, and Chris Donnelly. Missing from the picture are Jason Swist and Ron Malo.

proved to be a match up between the top teams in the tournament. Both were undefeated in round robin play.

Red Deer Moose Chiefs were highly rated going into the tournament as they were undefeated as a possible dark horse.

However their credibility became fast known during the round robin play.

The game started out the way that everybody had expected it. Both teams came out flying, issuing some of the hardest checks seen in bantam hockey.

Red Deer came away with a one goal lead on a powerplay effort. This was the second powerplay goal given up by the Sabres during the tournament out of a possible 30 chances.

The second period was St. Albert's big period as they outscored Red Deer 2-1 on goals by Brad Hammett and Rick Gray. Both teams missed excellent scoring chances, however, St. Albert controlled the play.

The score was tied at two after two periods.

The third period was again as fast as could be expected with both teams running into excellent goaltending.

Jim Owen, on a pass from Hammett and Weller put St. Albert into the lead at the seven minute mark of the period. However the Sabres were not able to hold the powerful Chiefs as they evened the score up with just five minutes to go.

Both teams missed several scoring chances in the last minutes of play. But again the period ended tied.

It was fitting that such a game should go into overtime as it was a total effort from both teams.

The referee called only nine penalties in the game, all of which came in the first 30 minutes of play.

Red Deer scored the winning goal at the 2:48 mark of the overtime period. They assured their victory with a minute and 32 seconds left in the period.

The final score was Red Deer 5 - St. Albert 3.

Alberta Amateur hockey officials and fans on hand commented that it was one of the best bantam games seen in some time.

The Sabres gave it all they had but did not get the break when it counted the most.

Chris Donnelly played his best game of the season in the nets for the team.

The Moose Chiefs now go on to meet the Rangers from Calgary.

SABRES NOTES

The Sabres played in the Fort Saskatchewan Bantam A tournament where they placed second out of eight teams.

In their first game Sabres defeated Calgary Mustangs 7-6 in overtime as Dean Clark picked up the winner. Sabres then defeated R. Angus from Edmonton 5-3 to advance to the final game against the host Fort Saskatchewan team.

Sabres were not able to pull this one out of the bag, however, as they were defeated 6-4 giving them second place in the tournament.

THANKS FOR THE SUPPORT

At this time the Bantam Sabres would like to thank those people who followed and supported them throughout their season. A special thanks to Jim Cebulak and Territorial Leasing who sponsored the team.

Sherwood Park 'Jets' blasted by Nu-West Canadians

Last Tuesday night at the
Akinsdale Arena, the St.
Albert Nu-West Canadians,
down one game in their best
of three semi-final series,
revenge their previous 5 to
3 loss against the Parks Dairy
Queen 'Jets' with a con-
vincing 12 to 1 victory.

An outstanding effort by
all the peewee 'A' Canadians
gave them this well earned
win and tying the series at
one game each.

The final deciding game
will be played this week, with
the winners meeting Fort
Saskatchewan for the league
championship.

The first period saw
Nu-West take 11 minutes to
get on the scoreboard with a
super passing effort in front
of the Parks' net by Darryn
Ernest and Tim Sebastian,
with Emmanuel Viveiros
making no mistake in putting
it away.

Five minutes later, Tim
Sebastian got the eventual
game winner on a
goal-mouth scramble and
great passing from John
Lenz. This second goal
sparked the St. Albert Reps
and from this point on, the
Dairy Queen Jets seemed to
wilt.

At the end of the first
frame, the Canadians were
ahead by four goals and with
four more in each of the
following periods, ended the
game 12 to 1.

Three hat tricks were
notched by Emmanuel Vi-
veiros; Tim Sebastian and
Willy Plageman. Other goal
scorers were Darryn Ernest
with two, and Tony Baller
with one. Assists went to
John Lenz (5), Tim Sebastian
(3), Emmanuel Viveiros (3),
Darryn Ernest (2), Gordy
Gramlich (2), and one each to
Willy Plageman, Tony Rou-

ault, Erin Oor and Craig
Iseke.

A real team effort, hard
skating and terrific goal
tending by Chris Lane and
Paul Burgess allowed the
Canadians to th-
wart the Park's offensive
efforts.

Fine defensive play by
Cameron White, Tony Bal-

ler, and Craig Iseke along
with tireless checking by
Brian Chai and Mike Lacroix
aided the St. Albert effort.

This was evident by th-
fact that though St. Albert
took 18 minor penalties to the
Park's six, they were still
able to score almost at will and
outshot their visitors 41 to
28.

Shaw named most valuable player

Barons win silver medal in Provincial tournament

The St. Albert Sportshop Barons continued their role as bridesmaids in midget A hockey by losing to the Red Deer Optimist Chiefs in the Provincial playdowns, held in St. Albert.

The Barons had previously been runner-up in the Provincial Wrigley tournament and had defeated their Red Deer rivals only to be eliminated by the same Red Deer Optimist Chiefs in the semi-finals of the league playoffs.

In one of the most exciting games this season the Chiefs edged the Barons 6-5 in a closely contested game that went down to the final seconds of play when the Barons failed to score the equalizer on two great chances from close-in.

The game was a well played and a fast skating contest which could well have been decided on two

minor penalties called on the Barons very late in the third period.

**Tournaments
Most Valuable Player -
Brian Shaw**

In order to reach the Provincial final, the Barons disposed of Grande Prairie and Medicine Hat to the tunes of 14-3 and 13-1

respectively.

Red Deer had defeated Fort Saskatchewan and Lethbridge by equally impressive scores to gain their berth in the final.

Although the Barons did not win top laurels, the tournament was highlighted by individual efforts by Garnet Clarke and Brian Shaw. They were awarded trophies for most valuable defenseman (Clarke), while Brian Shaw won the dual honor of most valuable forward and most valuable player in the tournament.

Shaw also reached the milestone of scoring his 100th goal of the season in the Saturday contest against Medicine Hat and added three goals in the final game against Red Deer for a season total of 103 goals.

The playdowns ran smoothly under the auspices of the local Kinsmen Club and the teams and managers enjoyed a buffet lunch as guests of the sponsors.

Large crowds were in attendance at the new Akinsdale Arena which contributed to the tournament's success.

The Barons wish to thank all volunteers, ticket sellers, goal judges, timekeepers, etc. whose time and effort contributed to this success.

Easy over

Hard checking is part of the Sportshop Barons game and they used it to their advantage and disadvantage in the Provincials held in the Akinsdale Arena on the weekend. Two charging penalties, one of which was questionable given the closeness of the game cost St. Albert the championship in the final minutes of the final game played Sunday against Red Deer Optimist Chiefs.

Calahoo Sheet Metal bantam captain Troy Zoschke receives the Calahoo Meats Trophy from Emile Berube who doubles as sponsor and referee. The bantams captured the "A" event of the annual tournament in Calahoo.

Rugby films shown

Interested players, prospective players and fans might like to take in some rugby training films and game films courtesy of the Clansmen Rugby Football Club.

The films are being shown every Thursday evening starting at 8:30 at their Clubhouse located at 10174 - 107 Street. The films are being shown specifically for players interested in learning the game.

The Clan also plan to hold their training camp the week of Monday, April 24 to Friday, April 28. Sessions will run in the evenings at Kinsmen Park from 6 to 7:30 p.m. All players and potential players are urged to appear at the camp in some degree of fitness.

Further information on the films or practices can be had by phoning 474-2431 days or 452-0834 evenings.

Girls take note!

Hercules

representative soccer

The Juvenile Girls team is being organized to represent St. Albert. First practice is Sunday, 2:30 p.m. at the Sir George Simpson field on Grosvenor Boulevard.

Juvenile girls are those born in 1960 and 1961. Midget girls born in 1962 are also welcome to try out for the team.

COACHES NEEDED

This year two representative peewee teams are being organized - one on the west side of Highway 2 and one on the east side. Coaches are urgently needed for these teams by April 9. Prospective coaches are asked to phone Herman at

459-8233 as soon as possible.

Peewees will be called to practice as soon as the coaches are lined up.

The mite soccer players from the east side of the highway will be called to practice in the near future. Mite players living west of the highway are trying out Tuesdays at Father Jan School from 6 p.m. to 8 p.m.

Juvenile and midget teams are working out Saturdays at Rosslyn Junior High in Edmonton, 132 Avenue and 113 Street, from 10 to 12 noon.

Oilers could cinch playoff berth tonight

A win by the Oilers tonight over the visiting New England Whalers would assure Edmonton of making the WHA playoffs.

Oilers are five points ahead of Birmingham Bulls and any combination of an Oiler win in the last three games, or a Bull's loss in their last four league contests, would assure Oilers of

a playoff spot.

First place Winnipeg Jets will be in town Friday for the Oilers last home game, and on Sunday the Oilers will be in New England.

Birmingham has games with Cincinnati (2), Houston and Indianapolis. Oilers played in Quebec last night but no score was available at press time.

Kinsmen Minor Hockey Briefs

The 1977-78 Kinsmen Minor Hockey program has now successfully completed another season and the minor hockey executive would like to thank all boys, parents, coaches, referees, fans and sponsors for their support in making it all worthwhile.

There are however a few more items that have to be completed in the next couple of weeks and your co-operation would be greatly appreciated.

SWEATERS, SOCKS AND EQUIPMENT

All coaches and parents are asked to help in returning their son's sweaters, socks and goaltenders equipment to the Kinsmen as soon as possible so that the condition of them can be assessed and if necessary be replaced at an early date. This is always a big problem for the Kinsmen, but with a little co-operation it can all be done in a few days.

Shaver and Mite coaches can take their team's equipment to the Kinsmen garage located in the City of St. Albert public works yard on Riel Drive from 7 to 9 p.m. while the peewee and bantams are asked to take their equipment down Thursday night at the same time.

COACHES BANQUET

The second annual minor hockey coaches and wives banquet and dance will be held this Friday, April 7 at the Legion Hall with cocktails starting at 6:30 p.m. followed by the banquet at 8 p.m.

There will be no charge for the ladies to attend but their hubbies will be assessed a \$10 fee. It's way of saying thanks to all the wives for the time their spouses have spent at the arena to help the Kinsmen Minor Hockey program to be a success. There are still a few tickets available and they may be purchased by calling Mr. Gerry Dux at 458-1461.

PROVINCIAL TEAMS

St. Albert was extremely fortunate over the weekend to have teams in the peewee, bantam and midget categories playing in provincial finals. Unfortunately only the Nu-West Canadian peewees won a title as the Territorial Leasing Bantam Sabres and the St. Albert Sportshop Barons midgets both lost out to teams from Red Deer. It was a very good year in spite of the losses and all boys, coaches and persons connected with the teams are to be congratulated.

CHAMPIONS OF CHAMPIONS Hunter wins tournament of champions

The Anita Hunter rink finished off this year in grand style by winning the tournament of champions.

This is a playoff of 11 champion teams from each of the Edmonton and St. Albert clubs sponsored by Labatt's and held at the Avonair.

Anita's team of Lota Whitford, Lorie Hyland and Kay Warmington won the

aggregate in the St. Albert Afternoon League and became our representative in the tournament.

In the tournament play the Hunter rink won B section and in the A-B final they defeated Betty Cole in an extra end forcing another game in which they defeated Cole again, this time 8-6.

The Hunter rink was

presented with engraved trays courtesy of Labatt's and a plaque with each club pin on it, goes to the club for the year.

Anita Hunter was also successful in winning the Nifty Fifty Bonspiel last weekend curling with Helen Hodgins, Jess Niblett and Hazel Gudmudsen.

Bantam Hockey Report

March 11 and 12 found the top four Bantam A teams battling for a chance at winning the Kinsmen Minor Hockey Trophy.

Grandin Cleaners Cobras and Canada West Maple Leafs had a close contest with the Cobras winning 7-6 in two game total points. St. Albert Pharmacy was not so fortunate as St. Albert Tire Radials won with a 6-1 win in two games.

March 18 brought the Cobras and Radials together with the Cobras winning 5-2.

Sunday, March 19 saw a hard fought game on the Radials part as they came up from 3-0 at the start of the third period to win 4-3 in overtime with K. Coyes making the winning goal.

Tuesday, March 21, the Grandin Cleaners Cobras played a fast hard hitting game to win the trophy by a score of 6-3.

Winning the top goaltender award was Miles Spencer of the Canada West Maple Leafs with a 2.15 average, and top scorer, also of the Maple Leafs, was Dean McKinney with 45 points.

Sturgeon Gazette

Board on record as against county system

Chairman of the Sturgeon School Division #24 Lois Hole has put that division on record as opposing the county system of government for Sturgeon in the annual report to the ratepayers of the division.

About 60 ratepayers were present at the meeting March 29 in the Sturgeon Composite High School at Namao.

Mrs. Hole, in her annual report for the Board of Trustees, said: "In some recent months some municipal councillors have been suggesting that perhaps the government should be approached regarding the implementation of the County form of government for Sturgeon. The Sturgeon board has gone on record as opposing such a form of local government."

In clarifying the board position, Mrs. Hole pointed out that -

*the people of Sturgeon almost 1500 students. This growth has meant that additional administrative staff

has had to be added."

The two new positions had tried the county system for four years and in 1965 called for a plebiscite on whether this system should continue. The vote strongly favoured reverting back to the dual form of government (school board and municipal council).

*School trustees deal exclusively with all educational concerns, whereas county councillors must divide their time between school and municipal matters.

*There are no savings in educational costs in the operation of schools under a county system as compared to school operational costs in a division.

*(there is a) general feeling of satisfaction that presently exists regarding the operation of the school system.

Mrs. Hole said the board is expecting to move into its own central office when renovations at the Cunningham School are complete by

September.

Mrs. Hole's report showed that an extensive building program begun in 1976 was "pretty well finalized in 1977."

A four classroom addition to Bon Accord School opened with the beginning of the fall term.

But the pride and joy of the division was the opening of the Sturgeon Composite High School at Namao last September. Although completion of the vocational wing was delayed a few weeks, loose ends came together and by Christmas 1977 the gymnasium-fine arts wing was occupied.

Mrs. Hole also reported that the "transfer of the 550 students at Redwater, the return of 700 high school students, who were being accommodated outside the division, and increased growth in nearly all schools has resulted in a net increase of created are a director of facilities and director of instruction.

Morinville passes zoning bylaws

Morinville council gave second and third reading to three zoning bylaws at the regular council meeting March 28.

Each bylaw was given a public hearing before second and third readings.

First bylaw passed was 2/78 rezoning a parcel of land on the old slaughter house property from C-2 to C-3. Bylaw 3/78 zoned the Qualico lands to agricultural and bylaw 5-78 rezoned Morinville Developments land near the overpass from residential reserve to single family and multi-family use and park.

In other council business council learned that the fire agreement with the MD of Sturgeon had been accepted.

Deputy Mayor appointed

Morinville Councillor Ross Quinn was appointed Deputy Mayor at the regular meeting of town council March 28. The appointment will last for six months till council has its organizational meeting.

GIBBONS MAYOR REG AUSTIN in front of the new senior citizens lodge in his town: as pleased as punch with the new facility.

JUST BACK from Barbados last week, 73 year old Jean Fowler was first to take up residence in the Gibbons Spruce View Manor, a plush new senior citizens residence. Formerly of Namao, Mrs. Fowler moved into the manor April 1 and she came to Canada when she was two years old from Perth, Scotland. She has never been back to her "homeland" but will be expecting a few visits from her family of three boys and two girls.

First residents for Gibbons "Manor"

The \$964,000 "Spruce View Manor," a residence in Gibbons for senior citizens, has taken its first seven lodgers and more seem on the way.

Former Namao resident 73 year old Jean Fowler was the first into the 44 suite lodge April 1, and the total of seniors now in the lodge is seven.

Progress on the lodge has been fast after the sod-turning December 23, 1976, the same day that water from the northeast water line came on tap for Gibbons.

The lodge has a pleasant setting in a central location of Gibbons with three and a half acres of grassed frontage as well as ample parking space. Work on the parking area is still in progress however.

One of the most pleasing features of the manor is a large fireplace in the sitting room area which also comprises a cafeteria like dining room.

Matron is Gibbons resident Mary Truhomchuk. Two other Gibbons residents, Tonia White and Doreen Toker are looking after the cooking for the residents.

Actual accommodation for the seniors seems first class; the suites are as good as those in a deluxe model.

There is also a drop-in centre on the west wing of the building which is still being furnished for the use of visitors and residents.

Mayor of Gibbons Reg Austin seems pleased as punch with the addition to

the town which he thinks gives it a focal point.

Town office moves

The Gibbons town office will be closed down Friday of this week and Monday of next week to facilitate the move of staff and office furniture into new premises. Staff will be moving into the larger premises of the

Marlo Building which is on Main Street close to the Royal Bank.

Town Secretary-Treasurer Maisie Mettrunc is back at the town office after a three month leave of absence.

New Gibbons Lodge a credit to town

Gibbons has every right to feel proud of its new senior citizens lodge, which will be known as Spruce View Manor.

However it can only take 44 residents.

Naturally word of the beautiful lodge has spread like wildfire and this means that seniors from far beyond the Sturgeon area are already trying to gain admission.

The word from the wise is that they will in all fairness have to accept that it's a case of first come first served if you are from the Sturgeon area. If you've paid taxes in the area for the last 50 years you expect to get some of the benefits.

As they promised, the RCMP were out on Highway Two Tuesday afternoon on the April vehicle check. The vehicle check will last till the end of April and RCMP ask co-operation while the check is on. Gazetteer Jim McIntyre was asked to pass through the RCMP dragnet that afternoon, and went through without "mishap."

Redwater Legion and Auxiliary

By M. Kerber
Since the last article came out about lack of public

support and membership I have had a few inquiries about membership requirements. This week I would like to deal with some of our aims, and who can join the Auxiliary. Next week I hope to have the same information, on who can join the Legion and why anyone should.

DECLARATION OF PRINCIPLES:

1) The Auxiliary shall be democratic and non-sectarian and shall not be affiliated to or connected directly or indirectly with any political party or organization.

2) We affirm our unwavering loyalty to sovereign, country and our belief in the rule of the people through constitutional methods.

We believe in the duty of service to the nation to the fullest capacity of the individual.

We believe in the duty of adequate Government provision for disabled soldiers and dependents of deceased soldiers.

OUR MOTTO IS "SERVICE"

Who is eligible?
All women shall be eligible for ordinary membership in the Auxiliary who have served with the Active Forces of the British Com-

monwealth or her Allies and the mothers, sisters, and daughters of such women.

Widows, wives, mothers, sisters and daughters, 18 years of age and over of the men who served and are serving with said forces.

Associate members must be wives of Associate members of the Legion. They can serve on committees but cannot have voice or vote at any meeting.

Honorary members must be wives of honorary members of the Legion. They can serve on committees but cannot have a voice or vote at any meeting.

No person who is eligible for ordinary membership is allowed other membership category.

In other words every woman 18 years old could become an active member of the Legion Auxiliary. Why not contact one of our members and find out about attending the next general meeting. Meetings are held the third Monday of every month, this month on April 17. The April meeting is to be followed by a social evening - a nice way to be introduced and get acquainted. At the second meeting applications will be filled in and accepted, and the third, new members will be initiated and become a full fledged member. I always enjoy the speech given new members by the president. Please Turn to Page 35

Air Cadets on Parade

#524 STURGEON AIR CA-
DETS

On Thursday, March 30 the cadets of #524 squadron were bused into Edmonton for a tour of the Law Courts building and the Legislature Assembly building as part of their continuing education in citizenship.

At the court house, the squadron was met by their guide, court orderly Mr. Gerry Ethier, who took them on a quick tour of a court room, explaining the duties of the Clerk of the Court, court reporter, the judge, jury, defense lawyer and prosecuting attorney. As the cadets watched stenographers type up trial transcripts they learned that accuracy was essential, as a mistake by a court reporter could cost an accused person months or years of his life. They learned of the Court of Appeal, Small Claims Court, and the duties of the sheriff. The cadets visited the library with its thousands of volumes, some dating back two hundred years, as our law is based on British law.

The squadron sat in on an actual court case (a charge of break and enter) where the judge Mr. Justice Dechene, acknowledged their presence with the hope that the experience might prove beneficial in their later careers. After the first recess in the trial, a majority of the cadets voted to see the end of the case, so they returned to the court room to hear the accused on the witness stand, the closing statements by prosecution and defense and the judge's verdict of guilty.

Continued From Page 34 and I'll close this weeks article by quoting it:

"Finally, as the first and most important object of this Auxiliary is to 'perpetuate a close and friendly feeling among the members,' let this spirit of friendliness guide you in your dealings with individual members, in committee work, and in the general meetings."

DATES TO REMEMBER

Remember: Thursday's at the Redwater Legion, and April 8 - Farmers' Market - have you got a table set up? If interested call Anne at 735-3582 evenings or Irene at 735-3010. Be sure and attend from 12 noon till 4 o'clock.

Next regular meeting - April 17 - hope to see you there.

in the cafeteria and then were able to spend some time looking through the air museum on the main floor of the building before catching a bus which took them to the Legislature Building.

Once there, the squadron was met by their MLA Mr. Ernie Jamison, who introduced himself and welcomed the cadets with the wish that their tour would be informative and enjoyable.

The tour guide, Mr. H. Hervey, told the cadets about the construction of the building and the various people honoured there. They learned of the carillon with its 330 bells that aren't really bells at all! As the cadets took their seats in the gallery just before the question period, Mr. Hervey explained the working of the legislature, and about the mace, the speaker, the pages, the seating plan, and the duties of various officials.

After the MLA's had taken their seats and other formalities were completed, Mr. Jamison introduced the squadron to the assembly who welcomed them with the traditional banging on desks. The squadron's name has

now become on permanent record in Hansard. The cadets stayed for a short part of the question period, then assembled on the grand staircase for a group picture as the photographer had finally arrived. Captain J. McHardy was able to join the squadron for the last part of the tour, and he and our training officer, Lt. E. Mortimer, are to be commended for arranging such an informative and interesting trip for the cadets.

Unfortunately the familiarization flying planned for

Sunday morning had to be cancelled as the cloud ceiling was 800 feet, there were problems with icing and conditions were considered unsafe. The cadets were given a tour of the air base and a good look at the Twin Otter they had hoped to fly in.

Another tour has been planned for Wednesday, April 5, when the cadets will go to the International Airport for a look aboard a Wardair 747.

Upcoming Events - April 16 - Bake Shoot.

Funds recommended for Cardiff Park

Peter Elzinga, Member of Parliament, recently announced that the Young Canada Works submission for the Cardiff Regional Park Development Program was recommended for funding by the Ministerial Advisory Board of the Pembina constituency.

Mr. Elzinga was pleased that this worthy project had

been recommended to the Minister of Employment and Immigration for a grant in the amount of \$11,790.

The funds are to be used to maintain, repair and develop the Cardiff Park Recreation Site and Mr. Elzinga was delighted that the application from the Municipal District of Sturgeon had been suggested for approval.

I WANT TO HELP YOU MAINTAIN YOUR VALUABLE EQUIPMENT.

I know that you've got a lot of money tied up in equipment. And you've got to make it last.

That's where I can help. Esso makes a full range of quality petroleum products to help keep your equipment in top operating condition. And all of them meet or exceed most manufacturer's warranty specifications. So you're always 100% sure with Esso.

For your diesel equipment I'd recommend Essolube XD-3. It's a premium quality motor oil with an additive package to give your engines

the protection they need.

I'd recommend that you standardize on XD-3 for all your diesel equipment so you'll always be sure of using the right oil.

For hydraulic system, Esso makes Hydraul. It contains additives to guard against scoring, rusting, foaming and wear. And you can use it all year round, because it's formulated to resist temperature extremes.

And for an all-purpose grease, I'd recommend Unitol for all your equipment. It will withstand

operating temperatures from 350°F (175°C) to -30°F (-35°C) so no matter what the temperature is outside, you know your equipment is getting the protection it needs.

If you have any questions about which lubricants you should be using, check with me. I want to help you maintain your valuable equipment.

Your Esso Agent...
A man you can count on.

Morinville Peewees take 2nd place in Provincials

Morinville Elite Carpet Blades bowed out 9-8 against Okotoks in the final game for the Provincial B championship at Grimshaw.

To reach the final Morinville defeated Trochu 9-2; Manning 9-1 and Athabasca 13-3; outshooting the opposition 114-33 in the three games.

The Morinville players selected for star-of-the-game awards were Marshall Lalonde, Dwight Van Brabant and Neil Bokenfohr.

Okotoks meanwhile defeated Bow Island, Rimbey and Grimshaw to reach the final.

In the final Morinville again outplayed and outshot the opposing team and was leading several times during the game.

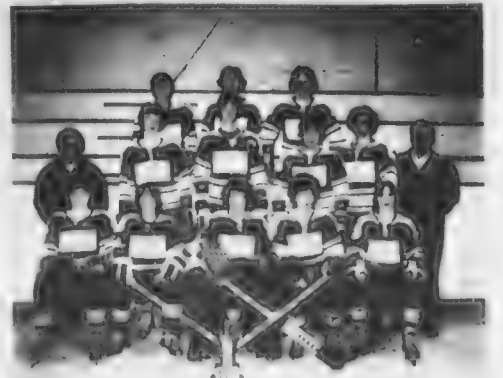

In the third period however the much larger Okotoks team was able to score three times and, despite the excellent efforts by Dwight Van Brabant and Chris Bokenfohr, the Morinville crew could not get the tying goal.

The star-of-the-game award for the final went to Chris Bokenfohr.

Morinville points (goals and assists) were scored by Chris Bokenfohr 20, Marshall Lalonde 18, Dwight Van Brabant 15, Mark Carleton 13, Neil Bokenfohr 7, Tim Quinn 6, Ricky Mulligan 5, Phil Schayes 3, Robie Hoffmann 3, Keith Streeter 2, Dave Schriver 2, David Ihle

Midgets win playoff series

By Margaret Yacyshen
The Morinville Midgets won their league playoffs after defeating Gibbons 2-0 in the final game played on

March 28. It was the fifth game in a best of five series. There was no score until nearly the last minute of play in the third period when Marty Hooper scored with an assist by Jerry Krauskopf. The other Morinville goal was also scored by Marty Hooper in the last seconds of play after the Gibbons team pulled its goalie.

The midgets had earlier won their zone playoffs by defeating Westlock and Swan Hills. They advanced to the provincials which were held in Provost over the Easter weekend. The team placed fifth in overall standings.

BANTAMS HOST TOURNAMENT

The Morinville Bantam A tournament sponsored by Morinville IGA, was held Sunday, April 2. Teams came from the Edmonton Lauderdale area, Bon Accord, Legal and Morinville. IGA of Morinville furnished trophies for the three stars of each game as well as a trophy which was presented to the winners. The Morinville IGA Bantam A team won the tournament finishing with a record of three wins and no losses. Morinville IGA would like to

thank all of the players, coaches and fans who participated in the tournament and wishes the team many more years of entertaining hockey.

The last game of the season will be played tonight with the boys taking on their fathers.

Anyone with news items is asked to contact Margaret Yacysen at 939-3047, Mail Box 100, Morinville or stop in at 9715 - 99A Avenue.

Andy's Trucking Shaver A played Bon Accord on March 22 and won 4-2. Morinville goals were scored by Murray Bokenfohr 2, Don Houle 1 and Bob Christie 1.

On April 1, the team hosted a tournament with six teams participating - Alexander, RQB, Gibbons, Bon Accord, Redwater and Mor-

inville. Gibbons defeated Riviere Qui Barre 5-4 to become the B side winner. Morinville was the overall tournament winner. The Shaver A's won their first game against Alexander 16-1 with goals by Mike Milande 3, Don Houle, Darrell Hesse, Bob Christie, Murray Bokenfohr and Darcy Wood all with two goals apiece; Len Bijou, Cary Royan and Trevor Milner with one goal each.

In the second game, the Shavers defeated Riviere Qui Barre 4-2. The Morinville goals were scored by Don Houle, Bob Christie, Murray Bokenfohr and Brad Boddez.

In the final game against Bon Accord the score was 3-3 after regulation time, with Morinville goals scored by Murray Bokenfohr 2, and Don Houle 1. Darcy Wood scored the overtime goal to win the tournament for Morinville.

The final game of the season will be a mother-son competition on Sunday, April 9.

Record year for local credit union

The Caisse Populaire de Morinville Savings and Credit Union Ltd. held their 38th annual meeting on Saturday, March 11, 1978.

Once again this year's meeting was held in the form of banquet, meeting and social with over 320 members and guests in attendance.

The President, Dave Bokenfohr stated in his report that the assets had increased by almost five million dollars in 1977 for a new high of almost 15 million dollars, as at December 31, 1977.

The Manager, Maurice Perras reported in his report the assets of the Credit Union has increased by 12 million dollars for the years 1975, 1976, and 1977.

The total membership at December 31, 1977 stood at 2869.

In view of the good year the Credit Union had in 1977, the Board of Directors declared a dividend of seven percent be paid on all outstanding Share Savings accounts as at December 31, 1977.

The Manager, Maurice Perras, also stated that the tremendous support the Credit Union was getting was certainly very encouraging, and very much appreciated.

He stated that "We are very proud of this Credit Union."

Guest speakers for the

evening included Mr. Art Stapleton, mayor of the Town of Morinville, Mr. Lisle Kivell - Cumis Insurance Society, Mr. Dan Kobasiuk - director of the Credit Union Federation of Alberta. Mr. Kobasiuk is also manager of the Edmonton Firefighters Credit Union.

Mr. Lionel Bergevin, from the firm of Quilliam, Stuart

and Company reviewed the financial statement.

Out of town guests included Jerry Flaman, Barrister and Solicitor, from the firm Durocher Flaman, Ares and Manning and Mrs. Flaman, and Mr. Roger Bourbonnais, Barrister and Solicitor from the firm of Bourbonnais, Cleall, Pahl and Sussman, and Mrs. Bourbonnais.

Notre Dame School News

This year's appeal for Peace and Development (a non-denominational society established to give aid to third world countries) was overwhelming. A total of \$1,113.61 was raised by the students from grades 1 - 6 at Notre Dame School.

A special thank you is extended to the parents who prepared various goodies for the bake sales, as well as to those who donated toys for the toy sales. We are also grateful to all who sponsored

students in the Grade 4 Spell-a-thon and to parents who helped sell tickets for the Grade 6 raffle.

We would like to thank Mr. N. Tretiak (superintendent) and Mr. T. Grinnell (assistant superintendent) for the donation of the ham for the grade six raffle. The raffle alone brought in \$524. The lucky winner of the huge ham was Mrs. Karen Emilson. Again, thank you to all who supported in any way.

Village of Bon Accord

(Section 311 of The Municipal Government Act)

TAKENOTICE that the Council of the Village of Bon Accord, in the Province of Alberta, has given first reading to money Bylaw No. 107 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay for the cost of Purchasing Lots 9 & 10, Block 5, Plan 5261 BA within its municipal limits.

The estimated total cost of the aforesaid project amounts to \$40,000.00. The full amount to be borrowed on the credit and security of the municipality at large by the issue of debentures is \$40,000.00. The debentures are to be repayable to the bearer in twenty-five (25) equal consecutive annual instalments of combined principal and interest, the interest not to exceed a rate of more than eleven per centum (11%) per annum.

NOTICE THEREFORE is hereby given by the Council of the Village of Bon Accord that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said Bylaw and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

A proprietary electors is -

- A person whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes, and
- a person who is liable for the payment of a mobile unit licence.

Fifteen percent (15%) of the proprietary electors may by petition request a vote on a money Bylaw under the provisions of Sections 311 and 7 of The Municipal Government Act.

1. The petition must be received by the municipal secretary within 15 days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.

2. Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.

3. There shall be set out opposite each signature on the petition -

- the legal description of the property or other qualifications entitling that person to be a proprietary elector,
- the postal address of the petitioner,
- the occupation of the petitioner.

4. A corporation or a church or other religious organization or an estate, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or a church or other religious organization or an estate.

5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.

6. Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is, the person to whom the municipality may direct any enquiries with regard to the petition.

7. No name shall be removed from the petition after it has been received by the municipal secretary.

8. If two or more money bylaws are advertised in a single notice, a separate petition shall be filed with respect to each bylaw.

9. The date of the last publication of this Notice is April 12, 1978.

Gibbons News

By Karen Hogg

Congratulations to the Gibbons Indians and the Namao teams for winning the Old Timers tournament this weekend. On Sunday night Namao defeated the Coronado Cougars with a score of 5 to 4 in overtime, which won them the B division of the tournament. The Gibbons Indians defeated the Horse Hill Hornets 7 to 1, which won them the A division of the tournament. Congratulations to all of the teams for their good sportsmanship during the tournament. This was the last hockey to be played in the arena. The ice will be taken out beginning on Monday. It has been a long hockey season and I am sure everyone is ready for the warmer weather.

Mrs. Lillian Austin would like to announce that April is Cancer month. During the month of April, Cancer fund canvassers will be calling at your residence. Please give generously to this fund as the W.W. Cross in Edmonton rates second across Canada for its vital research in Cancer, which just shows what sophisticated work is being done in Edmonton. Most of the apparatus needed in this research costs in the thousands of dollars so please give generously. For further inquiries please contact Mrs. Austin.

Sunday School in Gibbons began this weekend with a total attendance of 74 people including adults. This is a

non-denominational church and everyone is welcome to attend.

Gibbons minor hockey is now over for another year, and many thanks go to all the coaches and to the parents who came out and supported their teams.

The Minor Hockey Board agrees that we should start looking for coaches for the 78/79 hockey season right now. So if anyone is interested in coaching a team next year please pick up a form from George Fraser at Knott Insurance in Gibbons. The forms must be filled in and left with George by April 30. Have a good summer and we will see you next fall!

A girls and boys ball meeting is to be held on April 6 at 7:30 p.m. in the Community Hall. All parents are urged to attend. The purpose of this meeting is to get the ball season for 1978 for girls and boys underway. Registration will be taken provided respective teams have coaches.

The East Sturgeon Gentlemen's Hockey League will be in the Gibbons Rim on April 8 beginning at 6:30 with cocktails, dinner and dancing.

The Gibbons Marlos Senior Hockey Club will be holding a dance on Friday, April 14 in the Rim. Everyone is welcome to attend.

Dancing and a midnight lunch are included in your tickets. Tickets are available from all senior hockey players.

The Last Round-up

[Gibbons Senior Citizens]

On March 23, a large group of senior citizens gathered in the Legion Hut, Gibbons, to view pictures of travel in Alberta, and a presentation by Executive Tours Ltd., Edmonton, offering day and overnight tours in Alberta, and other points. Thirty-eight Gibbons members and nine visitors from Bon Accord were present. After the pictures everyone enjoyed bingo, with Bon Accord taking home their share of the prizes. A delicious lunch was served by lunch hostesses Jean Blom, Lizzie Sprague, Lillian Austin and Jeanette Petherbridge.

In honour of those celebrating birthdays this month, Lillian Austin, Jean Blom, Edith Carleton, Bernice Knott and Lizzie Sprague, a delightfully-decorated cake, made by Cindy Williams, was served. These special guests were also honored with the Happy Birthday song.

We would like to acknowledge with thanks, a gift of 10 packs of playing cards from the Coronado UCW Unit Two.

Alice Schneider of Bon Accord, on behalf of those members present expressed appreciation for the enjoyable afternoon.

Eula Mabbitt gave the following reading which was much appreciated by those present -

THE FOUR LIVES OF MAN

When God created the universe, He gave the man 30 years to live, 30 years to a

donkey, 30 years to a dog, and 30 years to a monkey.

The donkey was not happy. He pleaded with God to shorten his life to 18 years, because his life was full of drudgery and 30 years was too much for him. God listened to his pleas and shortened his life to 18 years.

Then the dog came and pleaded with God to shorten his "dog life" to 12 years, because 30 years was too much for him, and he just couldn't hack it. God listened to his pleas and shortened his life to 12 years.

Then came the monkey

and pleaded with God to shorten his life to 15 years because he couldn't stand 30 hard "monkey years."

Then a man appeared, healthy, joyful and pleaded with God to lengthen his life to 75 years.

God listened to his pleas and gave him the 12 remaining "donkey years," the 18 remaining "dog years," and the 15 remaining "monkey years," making 75 years for the man to live on this earth.

That is why, the first 30 years of a man's life is human, happy and carefree.

After this the man carries for 12 years, the hard load of a "donkey," a life of drudgery, of raising a family and working to get rich. Then he leads the 18 years of the "dog life," sitting on his money, skimping and scrounging. Finally he lives the 15 years of a "monkey's life," feeble, foolish, looking like a monkey, no teeth, no hair, doing silly things and is the big joke of his children.

Author - Anne Koren

We conclude that "man" is used figuratively, meaning the human race.

Legal Locals

By Irene Parent

The Legal Curling Club will be holding its grand opening Spring Bonspiel April 7 - 15, with a cabaret on April 15. The entry fee is \$40 which includes tickets to the cabaret. For anyone wishing to only go to the dance, tickets are \$5. For further information or to enter please contact H. Borduzak at 961-2406 or N. Rivard at 961-3887. Entries close April 5th.

On April 7, the Legal Canadiens hockey club are having an Awards Cabaret at the Legal Community Hall. Cocktails are at 6 p.m., supper at 7 p.m., presentations at 8:30 for Legal Warlocks, Legal L.M. Barons, Legal Oldtimers, and the Legal Canadiens. Tickets are \$15 and for the dance only they are \$8.

The Legal Lioness Club

will be holding their first Charter Night on April 21 at the Legal Community Hall. Tickets are \$20 which includes supper, dance and refreshments. Music will be supplied by "Let's Boogie." Tickets are available from Lioness members.

The Fizer family were visiting friends over the Easter holidays. Wally and Loretta Fizer won a trip to Newfoundland for two weeks on a student exchange program sponsored by the Lions Club of Dawson Creek, B.C. In August they get a return visit from the two students.

4H LIGHT HORSE LUNGEING CLINIC

The weekend of March 17, 18 and 19 was a busy one for the Legal Light Horse Club as we were sponsoring a Lungeing Clinic at the Legal Riding Arena.

Sandy and Miles Herman of Willowbrae Equestrian Centre taught the group of 25 participants and observers.

The principals and practical use of Lungeing techniques were covered in

demonstration and discussion. Work sessions on problems encountered with handlers and horses gave valuable insight into situations one might encounter when working horses on a lunge. Valuable information on teaching techniques for 4H leaders was also incorporated into the discussions and demonstrations.

Reception of the material covered was keen and participants left more aware of horse behaviour in general, teaching procedures, and use of lungeing in the training and development of athletic and obedient horses.

We are looking forward to "Step Two" in the training process to be covered in our next clinic "Basic Training" to be held on April 21, 22 and 23.

Participants of the Lungeing Clinic are encouraged to enroll in the Basic Training. Fees are \$10 for everyone, participants or observers. Please phone Gladys de Champlain at 961-3770 immediately if you are interested or require further information.

Card of Thanks

Famine Supper

Thanks to the Gazette, the Gibbons Community Hall Board, Lucky Dollar and to everyone who came out to support it. We raised \$222.00 towards peace and development. Special thanks to everyone who took time out to make and bake the cabbage rolls, as well as those who came out to set up, clean up and work in the kitchen. Hope to see everyone again next year in Bon Accord.

The bingo jackpot was won by Eileen Rosen, \$300 in 56 numbers. The first bonanza was won by Susan Delay, the second shared by A. Kijerski, Estelle Nichol and Mark McEachren. The jackpot this Sunday will be \$500 in 48 numbers. Bingo is definitely on.

Take time out sometime on Sunday between 1 - 4 p.m. and visit the Flea Market at the Golden Gems' Jewel Box. Tables may be rented if you have something you would like to sell yourself

and the Golden Gems will gladly accept donations otherwise. Coffee is available.

Quilting gets underway on Monday, April 10 and Tuesday, April 11 and runs from 9 a.m. to 3:30 p.m. both days.

No registrations for Karate and Kung-fu will be accepted after Wednesday, April 5. This course is for nine weeks and goes from 7 - 9 p.m. on Wednesdays in the Community Centre.

FIRST AID TRAINING COURSE

The First Aid Emergency training course will start on Thursday, April 6 at 7:30

p.m. in the Bon Accord school. At this time registration will be taken and the most convenient days for courses to be held will be decided upon. The course in Gibbons will be starting within the next two weeks, dates and place to be announced later.

Plans for the Auction Sale, proceeds to go to the Emergency Ambulance service are well underway but no definite date has been set as yet. Phoning committees are being set up to contact all residents of the Bon Accord-Gibbons areas to acquaint them with the fact that a sale is being held and to ask for donations of saleable items. Anyone wishing to sell articles for themselves may do so with the Ambulance Society charging a percentage. The sale is being conducted by Wes Spencer Auction Services.

The Bon Accord Mites topped Morinville, the first place finisher in two games straight, then came up against some tough competition from the boys from Gibbons. The Bon Accord mites won the first game against Gibbons by a penalty shot system after 10 minutes of overtime failed to break the tie. The second game held in Bon Accord was won by Bon Accord by a 5-2 score. A sincere thank you is extended to all the fans for their fine support of the boys and in return a thank you from the fans for the very exciting and entertaining games.

Sturgeon Valley Fish and Game Association are holding a Social evening on Thursday, April 13 at 8 p.m., Bon Accord School. An expert on moose will be our guest speaker. Mr. Gerry Lynch, a wildlife biologist, will be presenting a series of

slides and information on moose and their habits which he has compiled through 10 years of research in the Hinton to Swan Hills area. Plan to attend this very informative meeting. Remember everyone is welcome - bring a friend.

"COME IN AND SEE OUR MONTHLY SPECIALS"

Alcomdale News

By Beryl Bailey

The monthly bingo sponsored by the Alcomdale Community League was held March 16 in the Community Hall. A fair crowd turned out for this which was the last bingo of the season. The jackpot of \$140 was shared by Thomas Spargo, Mrs. L. Whitson and Miss Bobbi Servant. The mini-jackpot was shared by Mrs. P. Lalonde and Mrs. Sophie Gried. Mrs. V. Dionne was the lucky winner of the bonanza prize of \$30. Lunch was served at the end of the evening. There will be no more bingos until further notice.

Walter Kopek, a former bachelor farmer of the district who moved to the Senior Citizen's Lodge in Thorhild some years ago, passed away there in mid-March. He was buried in Edmonton. Old neighbours and friends attended the funeral. A cousin, Walter Ksiasek of Alcomdale survives him.

Mrs. J. Doidge and children, Michelle, Heather and Marlon spent the Easter holidays in Regina as guests of her parents', Mr. and Mrs. A. Arnst. Also visited other relatives during their visit there.

A small crowd for the St. Patrick's Cabaret dance March 18 in the Community Hall, given by the Alcomdale Community League, enjoyed themselves, though fewer

than hoped for attended the event was a success.

Mr. and Mrs. Alex Benson of Independence were dinner guests of Mrs. J. M. Bailey during the holiday season.

Mrs. J. M. Bailey had her nephew N. W. Stoneburgh and family of Edmonton visiting on Easter Sunday for High Tea.

Miss Debbie Lalonde spent a few days in the St. Albert Sturgeon General Hospital the week of March 22. During which time she had her tonsils removed. Debbie recovered in time to enjoy a big Easter dinner at the home of relatives in Morinville.

The monthly meeting of the Alcomdale Community League on March 29 was unable to do any business that evening as only four members came, not enough for a quorum. It is hoped members will turn out in sufficient numbers for the next meeting which will be held April 26 in the community hall at 8:30 p.m.

Each winter a group of women curl one morning a week, this year they did so again and on Saturday, March 4 held a bonspiel. John Lister donated four trophies for the rink with the highest points which was Mrs. Marton Anderson's rink of Busby. All players received prizes of merchan-

dise ... so all were winners. The eight rinks playing enjoyed a pot luck meal to finish off their season.

March came in rather lamblike and went out much the same, but April 1 a real March day returned, snowflurries, ice on the water etc. more like winter. However, the starlings returned several weeks ago and the crows have come back. So far no robins have been reported.

INDEPENDENCE

Among the winter travellers were the Myron Davidsons and Thomas Spargos .. the two couples went via plane to Las Vegas, from there they rented a car and drove to San Diego and Disneyland and return. They also visited the Grand Canyon and points in Arizona such as Flagstaff, Yuma, Tombstone and Mesa. Mesa is the place so many Canadians go to for the winter or a

short vacation. To the surprise of the party they had a snowstorm in Arizona. They returned via plane after a two week holiday. The floods in Arizona struck after they returned home for which they were thankful.

Easter Sunday the Alex Bensons were dinner guests of the Myron Davidsons. Easter Monday Mr. and Mrs. Benson had members of their family for dinner. Mr. and Mrs. H. Huntley and Mr. and Mrs. Leigh Benson and the children of Edmonton. Later Mr. and Mrs. Victor Soetaert and children of Villeneuve.

The sympathy of the district is extended to Alex Benson on the death of his sister, Frances, Mrs. T. Arlow of Vimy. Mrs. Arlow leaves one son, Jerry of Vimy and several sisters and two brothers. She was predeceased by her husband, Tom, several years ago.

Namao News

By Norma Crozier

Namao United Church Women will hold their spring luncheon in the Community Hall on Wednesday, April 12 at 12 o'clock noon. Guest speaker for the afternoon program will be from Bissell Centre in Edmonton. Come and bring a friend.

Mr. and Mrs. George Horricks enjoyed a month's holiday in the main and United States and Hawaii recently. Motoring to their daughter Peggy's home in

Seattle, Washington, and visiting there for a few days, they flew to Hawaii accompanied by Peggy and her husband Brian Krebs. In Hawaii they spent some time at Waikiki and then went to Maui, thoroughly enjoying each island.

Get well wishes from the district go out to Jack Harrold who is a patient in the Royal Alexandra Hospital after undergoing gall bladder surgery. Get well wishes to little Jason Crozier in University Hospital. Hope they are both well again very soon.

Namao Gentlemen's hockey team playing in the East Sturgeon Gentlemen's Hockey League won "B" consolation event in the league tournament held on April 1 and 2. Playing off against the Coronado Cougars, they won 5-4 in overtime, the winning overtime goal was scored by Clarence Stanton. This ends the hockey season for the league.

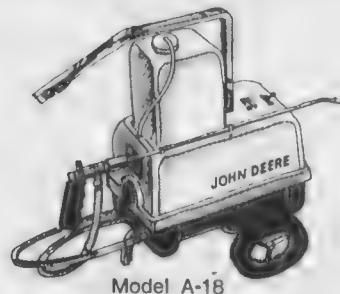

Mr. and Mrs. Melvin Clark and their children enjoyed an Easter train trip to the Coast visiting White Rock, Sidney and Nanaimo on the Island. Mr. and Mrs. Glen Gabbey and children accompanied them and visited Vancouver and Victoria, B.C.

Mr. and Mrs. Reg Nelsen and their children and Mrs. Daisy Craig are back home from a month holidaying on the Hawaiian Island of Kauai. Enjoying good weather and lots of snorkeling and swimming they are all sporting good tans.

DENTAL CARE AND TOOTH LOSS

Dental care doesn't end when a person has lost their teeth. Regular checkups are recommended as a means of early detection of dangerous oral problems. Gum irritation could be a sign of other oral problems. Many cases of mouth cancer, for example, are discovered early during routine dental examinations, thus making possible early treatment and cure.

The winner of the fancy Easter bunny cake which was raffled at our last bake sale was Kathy Davis of Morinville.

It was decided at our last meeting to have a pot-luck supper and party for adult members on Saturday, April 8 at the Morinville International Building at 7 p.m. Members were also in agreement on making a donation to the Morinville Historical Society.

The next meeting of the Cardiff Community Club will take place at 7:30 p.m. on April 24 at the home of Ethel Ward.

Lawrence and Shirley Raaflaub spent two wonderful weeks with Shirley's parents, George and Della Hutton of Edmonton, in Hawaii on Oahu Island. They stayed just two blocks from Waikiki Beach in a condominium where they could even do their own cooking if desired. They had a restful time swimming and touring and found their visit to Pearl

Harbour very educational. They had the pleasure of encountering a school of dolphins as they returned. Lawrence and Shirley were thankful to Ken and Helen Witter who kept their two children thus making this holiday possible.

The Easter holidays were enjoyed to the utmost by some more happy travellers. Corrina Tailleux, Wendy, Karen and Christine Vranas spent this time on a tour which included visits to Los Angeles, San Diego and Tijuana. While in the Los Angeles area they enjoyed visits to Hollywood, Knott's Berry Farm, Universal Studios and Disneyland. The girls came back with some souvenir pictures of themselves and Darth Vader of Star Wars.

Roderick White was out of hospital for a few days at Easter visiting his daughter Theresa and Randy Calihoo. Roddy has been a patient in Sturgeon General Hospital for some months now.

Mr. and Mrs. Pete McLeod visit family

By Liz McLeod

Knowing that it was springlike weather in Quesnel, B.C., the Peter McLeods' decided to go visit their children, Sharon, Bernie and Dawn McKinnon, 515 miles away in Quesnel, B.C.

It's always nice to see the wild animals and this morning, while passing through Jasper Park we weren't disappointed as, for the first time in our travels we saw a herd of elk, many with huge antlers browsing amid the trees. Also, there were moose at close range for a good look, so we really felt lucky this day.

Mt. Robson was shrouded with a fleecy white cloud at its peak, and it's only twice in all our travels that we've seen this majestic mountain to its peak.

We stopped in McBride, where the snow was all but gone, to gas up and get some nourishment ourselves. Continuing on, we took turns, each driving a hundred miles and then changing.

We arrived at our daughter's, 10 miles south of Quesnel by 3 p.m. B.C. time, and found them all well and happy. Our visit included a trip to the Gravelle Ferry to visit Bernie's parents.

How great it was to visit our children. Bernie has his logging truck and was very busy hauling since spring break-up was soon at hand.

Two and a half year old Dawn Deanne hadn't forgot her grandparents since their last October visit, and what pure joy to enjoy her company for a week.

Time passed quickly and soon it was time to arise early for our departure. We figured we were off to a good start, as the sky was crystal clear.

About 20 miles east of Prince George it had snowed so we encountered an icy highway, then ran into slush and back onto icy conditions, until the eastern end of Jasper Park.

It was a short but happy holiday for all concerned.

The preliminary meeting for the quilting class has been set for 1:30 p.m., April 10 and the workshop for Tuesday and Thursday, April 18 and 20. These will be day classes, rather than a series of evening classes. Please call Peggy, 973-5783, or Barbara, 998-2739 for more information or to register.

Get your tickets for the family dance from Willy Lobner, 973-5822 or Mel Kinsey, 973-3879.

Sturgeon Regional Recreation is sponsoring "All Things Bright and Beautiful," an instructor's skill workshop in Morinville. On April 24, they will sponsor "Fantastic Faces and Other Toys," and on April 25, "Fibres in the Round." On April 26 the workshop will feature "Soft Leather Ideas." Instructor is Linda MacPhee. For more information and fees, call Peggy or Barbara.

Women of Uniform will be holding their annual spring district conference for this area at Sunnyside Hall on Friday, April 14 beginning at 1:30. It will focus on

"Stresses in the Farm Family Unit," and will present an opportunity to identify stresses, find out what resources are available, and the skills that are necessary to deal with them.

UNIFORM FARM FORUM

Uniform is sponsoring a series of farm forums throughout the province, the purpose being to encourage the flow of information from the producer to those at the executive level, so that the action taken and policies set reflect the wishes of the producer. The forum for Region 5, which includes our area, will be held at the Gazebo in Calahoo on Tuesday, April 18 at 7:30 p.m. Howard Falkenberg, president of Uniform, is planning on being present. Plan on being there to voice your opinion.

Several couples from the area have recently returned from late winter travels. Myrtle and Gib Paradis flew to Florida and then went on a short cruise, during which time they found out what manner of sailors they were as some very rough weather was experienced. Elaine and Don Hood, together with

other members of Elaine's family spent two weeks in Colombia, South America and came back much more informed, and appreciative of Canada in general and Alberta in particular.

HORSE HILL HORNETS

The closing tournament of the East Sturgeon Gentlemen's Hockey League which took place this past weekend was well played and well attended. Horse Hill Hornets

won the opening game against Sturgeon Stingers by a score of 5-0 and their second one against the Gibbons Flyers 4-2, only to lose the final game of the tournament for the league championship to the Gibbons Indians 7-2. The team played very well and received excellent goaltending from Jerry Mullen. Namao won the consolation event by defeating Coronado Cougars. Hornets wish to thank all the members of their own team, their supporters and the opposing team for a good tournament and a good year.
